**The Christine Emerald** Jim Cinque,2003-04 The Christine Emerald a gem in the class of the Star of India is the target of a not too smart gang of jewel thieves The difficulty lies in the fact that the emerald is rarely seen except on the lovely neck of Mrs Jonathan Prescott the wife of a multi millionaire owner of a newspaper and broadcasting empire Billy and his gang have devised a plan to remove the emerald from Mrs Prescott s neck during an anniversary party attended by the elite of the city Their success becomes more and more unlikely as one difficulty after another arises but Billy pursues the plan to a surprising finale The Christine Emerald is a fun read reminiscent of stories told during the Roaring Twenties The Initiation Denise

Arnold,2019-03-06 The Initiation goes into the lives of siblings that had to find their own way out of the south where they were limited in job opportunities The family described in this book illustrate the love and concern for one another which was practiced in their family home Although the family did not have money they shared the love for their parents and one another The love shared in this family was instilled in their children Claudette wanted to live a financially comfortable life and she created that for herself and her daughter Amethyst Claudette used her beauty charm and financial suave to accomplish her goals *Another Side to the Mirror* Alain-Joël Breugelmans,2014-05-27 Meet Christine an orphaned teenager

misunderstood by her godparents and society with an urge to be who she is One night she steps into an imaginary utopia called Delarte Delarte is a place where everything is possible and everything or everyone is accepted It is there she meets a witch called Bella and her puppet called Vera Along the way Bella and Vera show Christine a great deal of kindness and hospitality Christine witnesses a show in Delarte s theatre where she sees creatures such as flying mermaids immortal clowns singing butterflies and many other creatures Stepping through the mirror again Christine blurs life between reality and Delarte Spiral down on Christine s journey and meet intriguing creatures from dancing corpses to singing werewolves and find out what it feels like to finally be understood or is not everything as it seems **The North Carolina Historical**
