The Church in Search of Itself, 1972 *A Church in Search of Itself* Robert Blair Kaiser, 2007-04-10 A deeply informed look at the intensifying struggle over the future of the Catholic Church Robert Blair Kaiser examines the most important and divisive issues confronting the Church the sex abuse scandal a shortage of priests due to the insistence upon celibacy the ban on contraception the roles of women in the Church the increased participation of laypeople in Church affairs He gives us an in depth and behind the scenes view of six of the cardinals who gathered in Rome in April 2005 to choose a new pope and through them makes clear why Catholics worldwide are increasingly leaving the Church or defying Church doctrine With passion and heartfelt concern Robert Blair Kaiser brilliantly illuminates the issues and the combatants in the battle for the soul of the Catholic world From the Trade Paperback edition **The Bonhoeffer Reader** Clifford J. Bettum,2022-08-01 Section one We know very little because of our limitations Our limitations have affected all human history especially religious and scientific Humanity has actually succeeded because we had to act even in the midst of our ignorance We developed hubris Section two Our mental evolution is different from our physical evolution and is unique to each person We understand and can think in future time This our freedom and our opinions are what give us our hidden uniqueness Section three We rely on our opinions We have very elaborate religions and sciences that are not filled with facts We have been thinking using opinions for so long that in our own minds facts and opinions are equal Our opinions are sometimes wrong Section four We have oversold God We have made up absolute definitions of God and have trapped God and ourselves in these definitions Given our real limits we do not even have the correct words or concepts to grasp God in any significant detail Jesus bridged the gap between God and humanity Section five We have undersold Jesus The Trinity Doctrine about Jesus is wrong This led to the Hidden Mission of Jesus For this mission Jesus needed to assume human form so that God could completely understand humanity This is why Jesus is unique and why he changed everything in the relationship between God and each of us Section six This is a call for the old People of the Book to become the People of God Judaism Christianity and Islam must realize that they are all worshiping the same God God is not happy with them fighting and killing each other Humanity needs to get over itself and get into a right relationship with God and with other people Then at least humanity has a chance
