

January, THURSDAY 22, 1863.

Started down the river about sunrise. Sailed, Kaposkaw at Mouth of Arkansas river - Princeton & other places -

The land near the river is lower than the water & the country back looks very low & wet -

Have passed many large Plantations to day -

Tied up at Carole - a landing on Miss Shaw just north of La State line -

January, FRIDAY 23, 1863.

Started down early this morning. Pass quite a pretty Village - Lake Providence - this A.M. - reached the Vicksburg fleet near mouth of Yazoo river at 2 P.M. - There are here about 100 Steamers & a number of Gun Boats -

Our troops are at work opening a canal to get below Vicksburg & not pass the City -

Weather fine -

The Civil War Diary:

Inside Lincoln's White House Michael Burlingame, John R. Turner Ettliger, 1999-02-01 On 18 April 1861 assistant presidential secretary John Hay recorded in his diary the report of several women that some young Virginian long haired swaggering chivalrous of course and half a dozen others including a daredevil guerrilla from Richmond named Ficklin would do a thing within forty eight hours that would ring through the world The women feared that the Virginian planned either to assassinate or to capture the president Calling this a harrowing communication Hay continued his entry They went away and I went to the bedside of the Chief couch I told him the yarn he quietly grinned This is but one of the dramatic entries in Hay s Civil War diary presented here in a definitive edition by Michael Burlingame and John R Turner Ettliger Justly deemed the most intimate record we will ever have of Abraham Lincoln in the White House the Hay diary is according to Burlingame and Ettliger one of the richest deposits of high grade ore for the smelters of Lincoln biographers and Civil War historians While the Cabinet diaries of Salmon P Chase Edward Bates and Gideon Welles also shed much light on Lincoln s presidency as does the diary of Senator Orville Hickman Browning none of these diaries has the literary flair of Hay s which is as Lincoln s friend Horace White noted as breezy and sparkling as champagne An aspiring poet Hay recorded events in a scintillating style that the lawyer politician diarists conspicuously lacked Burlingame and Ettliger s edition of the diary is the first to publish the complete text of all of Hay s entries from 1861 through 1864 In 1939 Tyler Dennett published Lincoln and the Civil War in the Diaries and Letters of John Hay which as Civil War historian Allan Nevins observed was rather casually edited This new edition is essential in part because Dennett omitted approximately 10 percent of Hay s 1861 64 entries Not only did the Dennett edition omit important parts of the diaries it also introduced some glaring errors More than three decades ago John R Turner Ettliger then in charge of Special Collections at the Brown University Library made a careful and literal transcript of the text of the diary which involved deciphering Hay s difficult and occasionally obscure writing In particular passages were restored that had been canceled sometimes heavily by the first editors for reasons of confidentiality and propriety Ettliger s text forms the basis for the present edition which also incorporates with many additions and much updating by Burlingame a body of notes providing a critical apparatus to the diary identifying historical events and persons **Sam**

Richards's Civil War Diary Samuel P. Richards, 2009 This previously unpublished diary is the best surviving firsthand account of life in Civil War era Atlanta Bookseller Samuel Pearce Richards 1824 1910 kept a diary for sixty seven years This volume excerpts the diary from October 1860 just before the presidential election of Abraham Lincoln through August 1865 when the Richards family returned to Atlanta after being forced out by Sherman s troops and spending a period of exile in New York City The Richardses were among the last Confederate loyalists to leave Atlanta Sam s recollections of the Union bombardment the evacuation of the city the looting of his store and the influx of Yankee forces are riveting Sam was a Unionist until 1860 when his sentiments shifted in favor of the Confederacy However as he wrote in early 1862 he had no

ambition to acquire military renown and glory Likewise Sam chafed at financial setbacks caused by the war and at Confederate policies that seemed to limit his freedom Such conflicted attitudes come through even as Sam writes about civic celebrations benefit concerts and the chaotic optimism of life in a strategically critical rebel stronghold He also reflects with soberness on hospitals filled with wounded soldiers the threat of epidemics inflation and food shortages A man of deep faith who liked to attend churches all over town Sam often comments on Atlanta's religious life and grounds his defense of slavery and secession in the Bible Sam owned and rented slaves and his diary is a window into race relations at a time when the end of slavery was no longer unthinkable Perhaps most important the diary conveys the tenor of Sam's family life Both Sam and his wife Sallie came from families divided politically and geographically by war They feared for their children's health and mourned for relatives wounded and killed in battle The figures in Sam Richards's *Civil War Diary* emerge as real people the intimate experience of the Civil War home front is conveyed with great power [The Civil War Diary Of Cyrus F.
