Arthur Philemon Coleman

The Coal Cracker:

The Coal Cracker John Devers,1997 Coalcracker Culture Harold W. Aurand,2003 The knowledge that they traded their lives for a job generated an overarching fear of losing their income BOOK JACKET **Coal Cracker Blues** James Stevens,2003-08-05 The Coal Region of Northeastern Pennsylvania was a magic place for teenagers in the 1950s The close knit ethnic communities of coal miners and their families enjoyed a safe environment where doors were left unlocked and a major crime was disturbing the peace Teenagers lived in a restricted but safe world with a social life of high school sports and dancing to rock and roll But time has been hard on The Region as native son Steve Zajac learns when he returns to deal with his elderly mothers problems The nostalgic memories he has long treasured fade rapidly as he is drawn into the dangerous realities of a community overwhelmed by crime where old mine workings are now drug factories and former childhood friends are now deadly enemies Regretfully he realizes the world he knew in his youth is gone forever never to return **Coal Cracker Anecdotes** Bobby Jones,2010-02-24 A semi fictitious narrative of interesting and biographical incidents about growing up in the Coal Regions of Eastern Pennsylvania during the 1940 s and 1950 s It is not intended to be a history lesson of the region rather it is intended to document amusing and informative anecdotes of the times It travels back to a time when we were electronically challenged and spending quality time with families and friends was a way of life We truly enjoyed each others company and we looked forward to being with family and friends It was a time when people never locked their front doors It was a time when you looked forward to visiting family and friends as you were always greeted with open arms and your hosts always had a great meal ready for you It was wonderful time and place to grow up
