-  Non-communist states that were allied with the US including the British colonies of Sarawak, Sabah, Brunei and the Maldives
-  Non-communist states that were neutral

The Bamboo Curtain is depicted in white, separating the Communist states from the US-allied non-communist states

The Cold War In Asia

Zheng Yangwen, Hong Liu, Michael Szonyi

The Cold War In Asia:

The Cold War in Asia Zheng Yangwen, Hong Liu, Michael Szonyi, 2010-02-16 The Cold War stayed cold in Europe but it was hot in Asia Its legacy lives on in the region In none of the three dominant historiographical paradigms orthodox revisionist and post revisionist does Asia or the rest of the Third World figure with much significance What happens to these narratives if we put them to the test in Asia This volume argues that attention to what has been conventionally considered the periphery is essential to a full understanding of the global Cold War Foregrounding Asia necessarily leads to a re assessment of the dominant narratives This volume also argues for a shift in focus from diplomacy and high politics alone towards research into the culture of the Cold War era and its public diplomacy As a whole the essays contribute to enriching our understanding of what was really happening in an era that is too often understood in the catch all framework of the Cold War Akira Iriye Harvard University [The Cold War in Asia](#) Akira Iriye, 1974 Tras analizar brevemente el contexto historico de asia anterior a 1941 se describen las relaciones internacionales asiaticas durante la guerra pacifica y guerra fria El libro se centra principalmente en estas relaciones internacionales y en las existentes entre los paises asiaticos y los EEUU

Dynamics of the Cold War in Asia T. Vu, W. Wongsurawat, 2009-12-21 This book focuses on the neglected cultural front of the Cold War in Asia to explore the mindsets of Asian actors and untangle the complex cultural alliances that undergirded the security blocs on this continent *The Origins of the Cold War in Asia* Yonosuke Nagai, Akira Iriye, 1977 **Outposts of Empire** Steven Lee, 1996-06-08 Drawing on a wide range of recently declassified documents Lee outlines the regional and international context of American diplomatic history towards Korea and Vietnam and analyses the relationship between containment the bipolar international system and European and American concepts of empire at the beginning of the era of decolonization He argues that although policy makers in the United Kingdom and Canada adopted a more defensive containment policy towards Communist China than the United States did they generally supported American attempts to promote pro Western elites in Korea and Vietnam This is an important book for anyone interested in American foreign policy Anglo American relations Asia and the international system and British and Canadian foreign policies *The Cold War in Asia* James Gordon Hershberg, 1996 **The Cold War in East Asia** Xiaobing Li, 2017-09-13 This textbook provides a survey of East Asia during the Cold War from 1945 to 1991 Focusing on the persistence and flexibility of its culture and tradition when confronted by the West and the US this book investigates how they intermesh to establish the nations that have entered the modern world Through the use of newly declassified Communist sources the narrative helps students form a better understanding of the origins and development of post WWII East Asia The analysis demonstrates how East Asia's position in the Cold War was not peripheral but in many key senses central The active role that East Asia played ultimately turned this main Cold War battlefield into a buffer between the United States and the Soviet Union Covering a range of countries this textbook explores numerous events which took place in East Asia during the Cold War including The

occupation of Japan Civil war in China and the establishment of Taiwan The Korean War The Vietnam War China's Reforming Movement Moving away from Euro American centric approaches and illuminating the larger themes and patterns in the development of East Asian modernity The Cold War in East Asia is an essential resource for students of Asian History the Cold War and World History *Ruptured Histories* Sheila Miyoshi Jager, Rana Mitter, 2007-04-30 What has the end of the Cold War meant for East Asia and for how its people understand their recent history These thought provoking essays explore a vigorously contested area in public culture the wars of the modern era All the major East Asian states have undergone a profound reassessment of their experiences from World War II to Vietnam New and at times aggressive forms of nationalism in Japan China South Korea Vietnam and Taiwan have affected American security policy in the Pacific and posed a challenge to the post communist world order Japan has met fervent opposition to its premiers visits to the Yasukuni shrine honoring the wartime dead China has reclaimed a forgotten war history such as the positive contributions of Chiang Kai shek's Nationalists South Korea has embraced an interpretation of the Korean War that is hostile to the United States and sympathetic to its North Korean adversaries This volume not only illuminates regional and global changes in East Asia today but also underscores the need for rethinking the Cold War language that continues to inform U S East Asian relations

The American Occupation of Japan Michael Schaller, 1985 Tracing the origins of the cold war in Asia to the postwar occupation of Japan by U S troops Schaller's intriguing account demonstrates that the reconstruction of postwar Japan shaped not only the future of that country but also the future of U S policy throughout postwar Asia It explores how the U S's determination to secure Japan the ultimate Asian domino eventually led to U S intervention in China extended military aid to the French in Indochina and entry into the Korean War **Trial After Triumph** William E. Odom, 1992 In this book William Odom analyzes the security strategies of each Northeast Asian nation and specifically their strategies toward one another within the region **Chinese Communist Foreign Policy and the Cold War in Asia** Shu Guang Zhang, Jian Chen, 1996

Cold War Asia Hajimu Masuda, 2025-05-05 Conventional narratives of the Cold War revolve around high level diplomats and state leaders in Washington Beijing and Moscow but this anthology instead reveals how ordinary people across Asia experienced the era Heavily rooted in oral history this study takes readers to the villages of rural Java the jungles of northern Thailand the indigenous tribal communities of Kerala India and many other places in this vast region Masuda Hajimu organizes each chapter around the theme of many Cold Wars or more precisely the many local and social wars that were imagined as part of the global Cold War These histories raise fundamental questions about standard Cold War narratives encouraging readers to rethink why the Cold War still matters Contributors are Mary Grace Concepcion Simon Creak Cui Feng David C Engerman Prasit Leepreecha Luong Thi Hong Muhammad Kunhi Mahin Udma Masuda Hajimu Alan McPherson Imam Muhtarom Sim Chi Yin Kisho Tsuchiva Odd Arne Westad Matthew Woolgar Kinuko Maehara Yamazato Bin Yang and Taomo Zhou *Information Regimes During the Cold War in East Asia* Jason Morgan, 2020-10-12 Morgan and his

contributors develop the concept of the Information Regime as a way to understand the use abuse and control of information in East Asia during the Cold War period During the Cold War war itself was changing as was statecraft Information emerged as the most valuable commodity becoming the key component of societies across the globe This was especially true in East Asia where the military alliances forged in the wake of World War II were put to the most severe of tests These tests came in the form of adversarial relations between the United States and the Soviet Union as well as pressures within their alliances which eventually caused the People s Republic of China to break with from Moscow while Japan for a time during the 1950s and 1960s seemed poised to move away from Washington More important than military might or economic influence was the creation of information regimes swathes of territory where a paradigm ideology or political arrangement were obtained Information regimes are not necessarily state centric and many of the contributors to this book focus on examples which were not so Such a focus allows us to see that the East Asian Cold War was not really cold at all but was the epicentre of an active contentious birth of information as the defining element of human interaction This book is a valuable resource for historians of East Asia and of developments in information management in the twentieth century

The Cold War in Asia, 1996 **Southeast Asia and the Cold War** Albert Lau, 2012 The origins and the key defining moments of the Cold War in Southeast Asia have been widely debated This book focuses on an area that has received less attention the impact and legacy of the Cold War on the various countries in the region as well as on the region itself The book contributes to the historiography of the Cold War in Southeast Asia by examining not only how the conflict shaped the milieu in which national and regional change unfolded but also how the context influenced the course and tenor of the Cold War in the region It goes on to look at the usefulness or limitations of using the Cold War as an interpretative framework for understanding change in Southeast Asia Chapters discuss how the Cold War had a varied but notable impact on the countries in Southeast Asia not only on the mainland countries belonging to what the British Foreign Office called the upper arc but also on those situated on its maritime lower arc The book is an important contribution to the fields of Asian Studies and International Relations

The Clandestine Cold War in Asia, 1945-65 Richard James Aldrich, Gary D. Rawnsley, Ming-Yeh T. Rawnsley, 2000 Historians social scientists and area scholars reveal some of the covert activities of the British and Americans and their allies in the hottest theater of the Cold War Their topics include US Humint and Comint in the Korean War from the approach of war to the Chinese intervention legacies of Secret Service renegade SOE and the Karen struggle in Burma 1948 50 and British and communist narratives of the Malayan Emergency and the dynamics of intelligence transformation The 12 studies first appeared in *Intelligence and National Security* vol 14 no 4 1999 US distribution is by ISBS Annotation copyrighted by Book News Inc Portland OR *Containing the Cold War in East Asia* Peter Lowe, 1997 Examines the transitional years during which Britain s vital role in the formulation of Western policies declined markedly and that simultaneously marked the take off period of the Cold War Covers the communist victory in China the conclusion of the allied occupation of Japan with

the restoration of sovereignty to the Japanese state and the Korean War Addresses Anglo American relations and the strains caused by the differing attitudes of the two countries towards East Asia suggesting that while Great Britain did not determine Western policies in East Asia it did exert moderating influence on the US on significant occasions Annotation copyrighted by Book News Inc Portland OR

Outposts of Empire Steven Hugh Lee,1995-01-01 After World War II the United States determined to prevent an extension of the influence of the Soviet Union and Communist China took the lead in organizing the defence of Western interests in Asia Exploring the foreign policy objectives of the USA Canada and the United Kingdom this book examines the role played by economic and military aid in their attempts to establish pro Western anti communist governments on the periphery of communist East Asia

The Cold War in East Asia, 1945-1991 Tsuyoshi Hasegawa,2011 This work examines Asia as a second front in the Cold War looking at how the six powers the US China the USSR and North and South Korea interacted with one another and forged conditions that were distinct from the Cold War in the West

Southeast Asia's Cold War Ang Cheng Guan,2019-02-28 The historiography of the Cold War has long been dominated by American motivations and concerns with Southeast Asian perspectives largely confined to the Indochina wars and Indonesia under Sukarno Southeast Asia s Cold War corrects this situation by examining the international politics of the region from within rather than without It provides an up to date coherent narrative of the Cold War as it played out in Southeast Asia against a backdrop of superpower rivalry When viewed through a Southeast Asian lens the Cold War can be traced back to the interwar years and antagonisms between indigenous communists and their opponents the colonial governments and their later successors Burma Malaysia Singapore Brunei and the Philippines join Vietnam and Indonesia as key regional players with their own agendas as evidenced by the formation of SEATO and the Bandung conference The threat of global Communism orchestrated from Moscow which had such a powerful hold in the West passed largely unnoticed in Southeast Asia where ideology took a back seat to regime preservation China and its evolving attitude toward the region proved far more compelling the emergence of the communist government there in 1949 helped further the development of communist networks in the Southeast Asian region Except in Vietnam the Soviet Union s role was peripheral managing relationships with the United States and China was what preoccupied Southeast Asia s leaders The impact of the Sino Soviet split is visible in the decade long Cambodian conflict and the Sino Vietnamese War of 1979 This succinct volume not only demonstrates the complexity of the region but for the first time provides a narrative that places decolonization and nation building alongside the usual geopolitical conflicts It focuses on local actors and marshals a wide range of literature in support of its argument Most importantly it tells us how and why the Cold War in Southeast Asia evolved the way it did and offers a deeper understanding of the Southeast Asia we know today

If you ally dependence such a referred **The Cold War In Asia** books that will come up with the money for you worth, acquire the totally best seller from us currently from several preferred authors. If you want to funny books, lots of novels, tale, jokes, and more fictions collections are next launched, from best seller to one of the most current released.
