The Collector of Souls Carlos Soriano,2001-07-25 Would you do anything to rescue your best friend even kill him At 14 superhuman Canyon Terry was the world s mightiest boy But the young athlete s short temper proves to be his undoing Whenever Canyon thinks someone is hurting his family or friends he does not hesitate to use his immense physical strength and other powers to inflict a gruesome vengeance But more and more his efforts are being rebuffed by the very people he thinks he is protecting When he is held back from pursuing an attempted killer Canyon loses all patience and turns his anger upon his best friend Western Cobert Canyon s callousness severs their friendship and causes Western to fall into the hands of Adam a demonic youth who takes control of Western s body in his plan to destroy his superhuman rival Canyon cannot stop Adam without killing Western as well Faced with an impossible dilemma he makes a fateful decision with tragic consequences In this sequel to Child Over Human Canyon finally learns that true superhuman power lies not in brute strength but in patience understanding and love Collector of Souls Hallstrm Gillis,2018-02-11 So you ve decided to get into the exciting hobby of Soul Collecting well congratulations I am certain you will find this fun and exciting Collecting souls whether it be to trade them for something better or resell at a net profit makes for a good time because we all know that SOULS are not real RIGHHHHHHTTTTTT HAHAHA on a more serious note when you buy a soul there is always someone that will want it back and if they follow the rules they can This book contain 133 Soul Collection Pages The rules can be changed just change them but when you do you must make it known and in writing when buying a soul what the conditions are Trade a soul the conditions must be known Remember if the Paper which is signed by the seller gets destroyed the soul returns to the original owner Souls can be stolen the person in possession of the signed paper of the soul OWNS THE SOUL It s the paper not the book that matters Want to trade 1 Soul for 10 Souls do it the owner of the souls sets the price The price someone is willing to pay for a soul depends on the buyer and the value the buyer places on a soul **The Soul Collector** Paul B. this hair raising plot Germ n Olivares Garc a takes us by the hand through the mind of a ruthless man and his relationship with death whom he serves without reservation but who at the same time professes unconditional loyalty to his boss in the Division del Norte General Francisco Pancho Villa who recognizes Fierro as the only one who will follow him to the end THE STORY OF RODOLFO FIERRO THE BUTCHER LIKE NEVER TOLD The Collector ,1909 *The Collector's Eyes* Chinedu Nnadi,2025-11-13 Elias Venn was once known as the man who could find beauty in anything Now behind the locked doors of his seaside mansion he searches for something far darker His antiques shop Venn Curiosities has become a graveyard of haunted relics mirrors that whisper dolls that breathe clocks that refuse to die Each piece he acquires carries a weight he can t explain and eyes that seem to watch him when he s alone When journalist Clara Ames arrives to expose him as a fraud she expects a story about greed and superstition What she finds instead is a man unraveling under the burden of his collection and a series of deaths linked to the objects themselves The deeper she digs the more the line between the living and the dead begins to blur Every artifact tells a story Every story ends the same way with a soul trapped inside And the collection is growing Now Elias and Clara must confront the horrifying truth behind an ancient order that believed the eyes of the dying could capture eternity To stop the curse they ll have to face the force that dwells within the relics a presence hungry for both of them In *The Collector s Eyes* beauty becomes a prison obsession turns to possession and every reflection hides a ghost waiting to be seen Once you look too closely it s already too late The Academy ,1898 **Malay Magic, Being an Introduction to the Folklore and Popular Religion of the Malay Peninsula** Walter William Skeat,1900
