

# The Comedies

**Aristophanes**

## **The Comedies:**

*The comedies, histories and tragedies of Mr. William Shakespeare, together with his poems and sonnets, with intr. and footnotes by W.J. Craig* William Shakespeare, 1904     [Shakespeare's World: The Comedies](#) John Pendergast, 2019-12-02 With summaries discussions and excerpts from primary source documents this book examines Shakespeare's world through careful consideration of the historical background of four of his comedies Comedy was popular during the Renaissance and it was also one of Shakespeare's specialties The four plays discussed in this book *A Midsummer Night's Dream* *The Merchant of Venice* *Twelfth Night* and *The Tempest* span Shakespeare's career and remind us that Shakespeare more than any of his contemporaries explored the possibilities of comedy consistently developing new approaches to the genre Shakespeare was a fairly traditional playwright well aware of the long tradition of comedy which dates back to the Greeks and Romans This book places Shakespeare's comedies in their historical context It includes dedicated chapters on each of the four comedies with each chapter providing a plot summary a discussion of the play's historical background and significance and excerpts from primary source documents related to the play An introduction surveys the historical background of the plays while a timeline chronicles key events that influenced them Suggestions for further reading direct readers to additional sources of information

**The Comedies, Histories, and Tragedies of Mr. William Shakespeare as Presented at the Globe and Blackfriars Theatres, Circa 1591-1623** William Shakespeare, 1906     *The Comedies, Histories, Tragedies, and Poems of William Shakespeare* William Shakespeare, 1911     *The Plays of William Shakespeare: The comedies* William Shakespeare, 1874

Notes George Chapman,1873      A Selection from the Comedies of Marivaux Pierre Carlet de Chamblain de Marivaux,1901

*Shakespeare: the Comedies* Kenneth Muir,1965 From the Back Cover Despite differences between Shakespeare s time and ours in language in taste in mores his comedies still produce that sure sign of success uninhibited laughter But as the critics in this volume ably contend the world of Shakespearean comedy is made of more than make believe quick action and brilliant repartee Shakespeare s genius was to probe delicately but deeply subtle and enduring characteristics of humanity Each play is set in a land of its own yet through these lands move characters recognizable in our own world The reality of these characters is only enhanced by ethereal creatures of the imagination like Puck and Ariel who weave about them poetic merriment unsurpassed in comic literature Among the essays in this volume are As You Like It Helen Gardener Winter s Tale Derek Traversi Helena G Wilson Knight Shakespeare s Method The Merchant of Venice J Middleton Murry      A Study Guide for William Shakespeare's "The Comedy of Errors" Gale, Cengage Learning,2016      **Shakespeare and the Comedy of Enchantment** Kent Cartwright,2021-11-11 Shakespeare and the Comedy of Enchantment argues that enchantment constitutes a key emotional and intellectual dimension of Shakespeare s comedies It thus makes a new claim about the rejuvenating value of comedy for individuals and society Shakespeare s comedies orchestrate ongoing encounters between the rational and the mysterious between doubt and fascination with feelings moved by elements of enchantment that also seem a little ridiculous In such a drama lines of causality become complex and even satisfying endings leave certain matters incomplete and contingent openings for scrutiny and thought In addressing enchantment the book takes exception to the modernist vision of a deterministic disenchanted world As Shakespeare s action advances comic mysteries accrue uncanny coincidences magical sympathies inexplicable repetitions psychic influences and puzzlements about the meaning of events all of whose numinous effects linger ambiguously after reason has apparently answered the play s questions Separate chapters explore the devices tropes and motifs of enchantment magical clowns who alter the action through stop time interludes structural repetitions that suggest mysteriously converging even opaquely providential destinies locales that oppose magical and protean forces to regulatory and quotidian values desires thoughts and utterances that manifest comically monstrous events characters who return from the dead facilitated by the desires of the living play endings crossed by harmony and dissonance with moments of wonder that make possible the mysterious action of forgiveness Wonder and wondering in Shakespeare s and other comedies it emerges become the conditions for new possibilities Chapters refer extensively to early modern history Renaissance and modern theories of comedy treatises on magical science and contemporaneous Italian and

Tudor comedy
