The Easter Jesus and the Good Friday Church Gregory S. Athnos,2023-05-26 Is the turning point of human history the Jesus of the cross or the Christ of the resurrection We live on this side of the resurrection yet we act as if we are on the far side of the crucifixion Staring into the cross from the Good Friday perspective makes it difficult to see beyond it It consumes us It blocks our vision Even though we understand in our minds there was a Sunday we continue to stand in our hearts on Friday Are we missing life in the brilliant light of the resurrection Try to imagine the profound transformation from the disciples broken spirit on Friday to their heart stopping joy on Sunday evening Transformation was truly so wrenching there could never be a return to their pre resurrection world They began to see the cross through the lens of the resurrection every time The risen Lord became their launching pad for faith and from that glorious platform they reached back and embraced his crucifixion It should be the same for us **The Week That Changed the World** Timothy Dean Roth,2009-09-01 Beginning with Palm Sunday the gospels record every day of Jesus life up to the time of his death and resurrection These

eight days are unparalleled in the canon of Scripture for their narrative power their detail and their focus A unique synthesis of the four gospel accounts of the passion and resurrection of Christ is provided in this seamless and elegant narrative account of the Easter events including every detail mentioned in all four Gospels but without any unnecessary repetition or distracting references A chapter is assigned to each of these days to facilitate devotional reading and study during the days leading up to Easter Two chapters are added on either side of the eight days to round out the story A study guide is also included The book invites reader to experience the events of Christ s passion as they happened thus fully entering into the drama of the Easter story More than anything this book is an invitation to join Jesus and the disciples in walking the road that leads to Jerusalem and to experience the events that happened there in an intimate and life changing way

Happy Easter Jesus!* Patricia Field,2017-01-16 Easter is a wonderful time of year There are Easter egg hunts and searches for Easter baskets We eat marshmallow chicks jelly beans and take pictures with the Easter Bunny But do you know why Christians celebrate Easter Well to be very honest Easter has nothing to do with bunnies chicks and baskets Easter is the celebration of a very special day when Jesus Christ was raised from the dead *The Risen One* Scott James,2021-09-28 How is your family preparing for Easter Through this short and sweet devotional especially helpful if you re teaching little ones with short attention spans Scott James brings to light the many things that Christ s life and resurrection means for us not only through the season of Lent but all year long These weekly devotions which are designed for both family and individual use are timeless and moving reminders of the miracle of Jesus life ministry death and resurrection The Risen One is a perfect and doable gift for any growing family or beloved friend who needs meaningful and biblical reminders of all Jesus is for them and how much God loves them during the busy and the bustle of the Easter season setting him back in the center of it all Whether used as a follow up to The Expected One or used on its own The Risen One is a deeply encouraging devotional helping each of us experience all that Jesus is for us in the Easter story **Jesus Lives!**

The Easter Story Laura Ring Derico,2005-01-24 A retelling of the Easter story in a simple way that brings special meaning to children **What is Easter?** Jill Roman Lord,2000-01-30 Explains to children that the Easter holiday is about the resurrection of Jesus Christ not just Easter eggs and bunnies [On the Via Dolorosa with Christ](#) Paul Ciholas,2004 After two millennia the death and resurrection of Jesus Christ remain the foundation of Christian faith No matter how often the story of Easter is told and how much it is explained we are awed by the inscrutability of God s incarnation in Christ and find ourselves caught up in an event that transcends our understanding and surrounds us in a sea of divine love that belongs to the realm of mystery These forty mediations invite the reader to reflect on Christ s walk on the Via Dolorosa the path of suffering that a bruised and exhausted Jesus had to trudge from the place of his condemnation to the site of his crucifixion It is a sobering journey It is also a holy path toward God With the author the reader can walk from sacred place to sacred place and feel the transforming power of the presence of Christ In this pilgrimage we encounter a tormented Judas a bewildered peter a transformed Thomas and two startled disciples on the road to Emmaus The passion story leads believers and readers through the tragic disintegration of moral and spiritual claims to a fresh reaffirmation of the promise of transfiguration and resurrection
