The Empty Copper Sea:

The Empty Copper Sea John Dann MacDonald,1979 An alcoholic boat captain accused of negligence in the disappearance and presumed drowning of a Florida land developer seeks the aid of his friend Travis McGee [The Empty Copper Sea](#) John D. MacDonald,2013-09-10 From a beloved master of crime fiction The Empty Copper Sea is one of many classic novels featuring Travis McGee the hard boiled detective who lives on a houseboat Asking for help is something a proud man like Van Harder would never do So when he shows up at the Busted Flush Travis McGee knows that he must be the man s last resort What Harder wants salvaged is his reputation After a long career as a seaman he was piloting a boat the night his employer fell overboard Harder is certain he s been set up but to help him McGee must prove that a dead man is actually alive John D MacDonald is a shining example for all us in the field Talk about the best Mary Higgins Clark The fateful ride started with Harder at the helm of Hubbard Lawless s luxury cruiser It ends with him coming to fuzzy and disoriented and Hub lost to the water Now everyone is saying that Harder got drunk passed out and is negligent in his boss s death The thing is Van s not a drinker at least not anymore Who would want to frame the good captain and to what end Dead or alive Lawless is worth a lot of money People are always eager to get a piece of that action including some as McGee soon finds who are willing to take a piece out of anyone who gets in their way Features a new Introduction by Lee Child [Empty Copper Sea](#) John D. MacDonald,1987-06-01 When Timber Bay tycoon Hub Lawless falls off his yacht and supposedly drowns Van Harder his captain is accused of negligence and summons Travis McGee engulfed by mid life malaise to help him restore his good name **Empty Copper Sea** ,2013 *The Empty Copper Sea* Paul F. Edwards,1979 **The Empty Copper Sea: Introduction by Lee Child** John D MacDonald,2013-11-07 MacDonald had a huge influence on me Reacher is like a fully detached version of Travis McGee LEE CHILD Travis McGee isn t your typical knight in shining armour He only works when his cash runs out and his rule is simple He ll help you find whatever was taken from you as long as he can keep half As a boat captain Van Harder s reputation is his most valuable possession But his wealthy employer has gone missing presumed dead and people are pointing the finger They say he was drunk at the helm when his employer went overboard But Harder insists he doesn t drink at least not any more And he wants his reputation back But who would believe him To help him Travis McGee must do the impossible prove that a dead man is actually alive First published in 1978 The Empty Copper Sea features an introduction by Lee Child JOHN D MACDONALD A GRAND MASTER CRIME WRITER The great entertainer of our age and a mesmerizing storyteller Stephen King Travis McGee is my favourite fiction detective He s great because he has a philosophical side he will fight a bunch of mobsters in a car park and then have a muse about life the universe and everything Tony Parsons A dominant influence on writers crafting the continuing series character I envy the generation of readers just discovering Travis McGee Sue Grafton The consummate pro a master storyteller and witty observer The Travis McGee novels are among the finest works of fiction ever penned by an American author and they retain a remarkable sense

of freshness Jonathan Kellerman my favorite novelist of all time Dean Koontz A master storyteller a masterful suspense writer John D MacDonald is a shining example for all of us in the field Mary Higgins Clark What a joy that these timeless and treasured novels are available again Ed McBain There s only one thing as good as reading a John D MacDonald novel reading it again He is the all time master of the American mystery novel John Saul **Mystery Fanfare** Michael L. Cook,1983 This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981 Added to it are indexes of many magazines of related nature This includes magazines that are primarily oriented to boys book collecting the paperbacks and the pulp magazine hero characters since these all have a place in the mystery and detective genre **It's a Print!** William Reynolds,Elizabeth Ann Trembley,1994 The mechanistic age of the twentieth century has required a mechanized medium for expression the production of filmdependent from the start on machines such as cameras projectors lights and now more heavily reliant on computers sensitive films miniaturization and sophisticated sound recording devices has flowered in this century not only as a means of popular entertainment but as a critically acclaimed art form These essays highlight true cinematic adaptations as completely different products from films based loosely on the gimmick or plot or character of a certain fiction Famous Movie Detectives II Michael R. Pitts,1991-04 Pitts looks at the celluloid careers of more than three dozen sleuths including Arsene Lupin Hercule Poirot Mike Hammer Miss Jane Marple Perry Mason Philip Marlowe The Shadow Sherlock Holmes and The Whistler and a number of screen gumshoes with brief movie careers and TV detectives Each chapter highlights a different detective covering the character s films the performers who played him or her the character s image in other media stage radio television recordings etc plus a detailed filmography and a bibliography of the fictional works about each detective With additions and corrections to the base volume and scores of photographs **Cracking the Hard-Boiled Detective** Lewis D. Moore,2015-01-24 The hard boiled private detective is among the most recognizable characters in popular fiction since the 1920s a tough product of a violent world in which police forces are inadequate and people with money can choose private help when facing threatening circumstances Though a relatively recent arrival the hard boiled detective has undergone steady development and assumed diverse forms This critical study analyzes the character of the hard boiled detective from literary antecedents through the early 21st century It follows change in the novels through three main periods the Early roughly 1927 1955 during which the character was defined by such writers as Carroll John Daly Dashiell Hammett and Raymond Chandler the Transitional evident by 1964 in the works of John D MacDonald and Michael Collins and continuing to around 1977 via Joseph Hansen Bill Pronzini and others and the Modern since the late 1970s during which such writers as Loren D Estleman Liza Cody Sara Paretsky Sue Grafton and many others have expanded the genre and the detective character Themes such as violence love and sexuality friendship space and place and work are examined throughout the text Instructors considering this book for use in a course may request an examination copy here Bowker's Guide to Characters in Fiction 2007 ,2008-02 *In the Strange South*
