THE END OF AFFLUENCE

THE CAUSES AND CONSEQUENCES OF AMERICA'S ECONOMIC DILEMMA

JEFFREY MADRICK

The End Of Affluence

Paul R. Ehrlich

The End Of Affluence:

The End of Affluence Jeffrey G. Madrick,1997 This book reminiscent of the bestsellers Politics of Rich and Poor and Day of Reckoning tells the real truth about America s long term economic decline what caused it what it has done to Americans and what Americans should do about it As the stock market soars inflation recedes and the federal budget deficit shrinks the earnings of the typical American worker are still lower adjusted for inflation than they were a decade ago Family income is only beginning to regain its lost ground a higher proportion of Americans are living in poverty today than ten years ago and the distribution of income remains the most unequal in the advanced industrial world In this brilliantly clear groundbreaking book Jeffrey Madrick explains why prosperity has eluded so many Americans and why since the early 1970s our rate of economic growth has declined so dramatically Madrick cuts through the illusions and hypocrisy that accompany the political rhetoric of both parties and shows that before we can fix the economy we have to recognize what went wrong Praise for The End of Affluence The most straightforward account of the disappearing of the American Dream Commentary In the tradition of the economists Robert Heilbroner and John Kenneth Galbraith Mr Madrick makes sophisticated economics easy reading The New York Times One of the best books on what s happening in the American economy to be published in years Richard Nelson Columbia University For the layman looking to make sense of the 1990s economy this is a short accessible primer that clears away a lot of the underbrush and highlights the central truth about the American economy The Washington Post Without question The End of Affluence has begun to make a real impact on the future course of U S economic policy Richard Gephardt Democratic leader U S House of Representatives   The End of Affluence Jeff Madrick,1997-10-15 Sure to spark controversy this book reminiscent of the bestsellers Politics of Rich and Poor and Day of Reckoning tells the real truth about America s long term economic decline what caused it what it has done to Americans and what Americans should do about it   The End of Affluence Paul R. Ehrlich,Anne H. Ehrlich,1974 The Ehrlichs argue that the superconsumptive society will eventually collapse and that current leadership is not capable of reversing the process Individuals can and should ensure their own sufficiency of food and energy while joining grassroots movements to alter society s behavior into a conserving mode   **The End of Affluence** Anne H. Ehrlich,H. Annett,1975-01-12   *The End of Affluence* Paul R. Ehrlich,Anne Ehrlich,1995   The end of affluence ; a blueprint for your future Paul R. Ehrlich,1974   When the Money Runs Out Stephen D. King,2013-05-15 DIVThe Western world has experienced extraordinary economic progress throughout the last six decades a prosperous period so extended that continuous economic growth has come to seem normal But such an era of continuously rising living standards is a historical anomaly economist Stephen D King warns and the current stagnation of Western economies threatens to reach crisis proportions in the not so distant future divDIV divDIVPraised for the dose of realism he provided in his book Losing Control King follows up in this volume with a plain spoken assessment of where the West stands today It s not just the end of an age of affluence he shows We have made promises to ourselves that are

achievable only through ongoing economic expansion The future benefits we expect pensions healthcare and social security for example may be larger than tomorrow s resources And if we reach that point which promises will be broken and who will lose out The lessons of history offer compelling evidence that political and social upheaval are often born of economic stagnation King addresses these lessons with a multifaceted plan that involves painful but necessary steps toward a stable and just economic future div **The Circle Yearbook** University of Illinois at Chicago Circle,1976 **A Thesaurus Dictionary of the English Language** Francis Andrew March,1906 March's Thesaurus Dictionary Francis Andrew March,1925 **The New Gold Rush** California Commission on Campaign Financing,1985 **Gentrification around the World, Volume I** Jerome Krase,Judith N.
