

# The End Of The World

**Orson Pratt**

## **The End Of The World:**

The End of the World Martin H. Greenberg, 2010-07-08 Before *The Road* by Cormac McCarthy brought apocalyptic fiction into the mainstream there was science fiction No longer relegated to the fringes of literature this explosive collection of the world's best apocalyptic writers brings the inventors of alien invasions devastating meteors doomsday scenarios and all out nuclear war back to the bookstores with a bang The best writers of the early 1900s were the first to flood New York with tidal waves destroy Illinois with alien invaders paralyze Washington with meteors and lay waste to the Midwest with nuclear fallout Now collected for the first time ever in one apocalyptic volume are those early doomsday writers and their contemporaries including Neil Gaiman Orson Scott Card Lucius Shepard Robert Sheckley Norman Spinrad Arthur C Clarke William F Nolan Poul Anderson Fredric Brown Lester del Rey and more Relive these childhood classics or discover them here for the first time Each story details the eerie political social and environmental destruction of our world **The End of the**

**World as We Know it** Daniel Wojcik, 1999-05 Wojcik English folklore U of Oregon sheds new light on America's fascination with worldly destruction and transformation exploring the origins of contemporary apocalyptic beliefs and comparing religious and secular apocalyptic speculation He examines vision of the Virgin Mary the transformation of apocalyptic prophecy in the post Cold War era and apocalyptic ideas associated with UFOs and extraterrestrials Includes bandw illustrations and photos Educational and creepy for general readers Annotation copyrighted by Book News Inc Portland OR

**The Training of the Twelve** Alexander Balmain Bruce, 1871 **Phonography in the office** Alfred Kingston, 1886

The Cosmopolitan, 1893 *A Series of Pamphlets on the Doctrines of the Gospel* Orson Pratt, 1891 *The End of the World* John W. Martens, 2003 What did the ancient Jewish and Christian seers imagine when they considered the end of the world What do ancient apocalyptic texts really tell us about the nature of good and evil The End of the World examines the social historical and theological nature of ancient apocalypses such as 1 Enoch the Apocalypse of John and Daniel and compares their vision of the apocalyptic end to that found in modern film and television How does the cinema imagine the end What do these films tell us about our view of the end of the world and the nature of good and evil By examining films ranging from *The Exorcist* to *Mad Max* from *Bladerunner* to *End of Days* this book proposes that while apocalyptic films rely on these ancient apocalyptic texts they alter them to give us a sense of our own fears and anxieties at the beginning of the twenty first century The Complete Works John Bunyan, 1877 The Works of Aurelius Augustine: Letters. v. 1. Translated by J.G. Cunningham. 1872 Saint Augustine (of Hippo), 1872

**The Jesus Christ of J. S. Mill. By Antichrist** pseud ANTICHRIST, 1875 **A History of the End of the World** Jonathan Kirsch, 2006-08-22 The Book of Revelation has served as a language arsenal in a great many of the social cultural and political conflicts in Western history

Again and again Revelation has stirred some dangerous men and women to act out their own private apocalypses Above all the moral calculus of Revelation the demonization of one s enemies the sanctification of revenge taking and the notion that history must end in catastrophe can be detected in some of the worst atrocities and excesses of every age including our own For all of these reasons the rest of us ignore the book of Revelation only at our impoverishment and more to the point at our own peril The mysterious author of the Book of Revelation or the Apocalypse as the last book of the New Testament is also known never considered that his sermon on the impending end times would last beyond his own life In fact he predicted that the destruction of the earth would be witnessed by his contemporaries Yet Revelation not only outlived its creat this vivid and violent revenge fantasy has played a significant role in the march of Western civilization Ever since Revelation was first preached as the revealed word of Jesus Christ it has haunted and inspired hearers and readers alike The mark of the beast the Antichrist 666 the Whore of Babylon Armageddon and the Four Horsemen of the Apocalypse are just a few of the images phrases and codes that have burned their way into the fabric of our culture The questions raised go straight to the heart of the human fear of death and obsession with the afterlife Will we individually or collectively ride off to glory or will we drown in hellfire for all eternity As those who best manipulate this dark vision learned which side we fall on is often a matter of life or death Honed into a weapon in the ongoing culture wars between states religions and citizenry Revelation has significantly altered the course of history Kirsch whom the Washington Post calls a fine storyteller with a flair for rendering ancient tales relevant and appealing to modern audiences delivers a far ranging entertaining and shocking history of this scandalous book which was nearly cut from the New Testament From the fall of the Roman Empire to the Black Death the Inquisition to the Protestant Reformation the New World to the rise of the Religious Right this chronicle of the use and abuse of the Book of Revelation tells the tale of the unfolding of history and the hopes fears dreams and nightmares of all humanity The Last Myth Matthew Barrett Gross,Mel Gilles,2012-03-06 During the first dozen years of the twenty first century apocalyptic anticipation in America has leapt from the cultish to the mainstream Today nearly 60 percent of Americans believe that the events foretold in the book of Revelation will come true But many secular readers also seem hungry for catastrophe and have propelled books about peak oil global warming and the end of civilization into bestsellers How did we come to live in a culture obsessed by the belief that the end is near The Last Myth explains why apocalyptic beliefs are surging within the American mainstream today Demonstrating that our expectation of the end of the world is a surprisingly recent development in human thought the book reveals the profound influence of apocalyptic thinking on America s past present and future
