The Last Optimist:

The Optimist's Good Morning, 1908 **Lippincott's Monthly Magazine**, 1910 **The End of the Spanish Civil War**
Jonathan Whitehead, 2024-04-04 A history of the final stages of Franco's victory The Spanish Civil War ended in Alicante After Catalonia fell to the Hitler and Mussolini backed military rebellion of Franco's Nationalists at the outset of 1939 the legitimate Republican government of Dr Negrín was faced with a choice between apparently futile resistance or unconditional surrender to the triumphant Nationalists Choosing the path of continued defiance until they could force concessions or at least implement a mass evacuation of those Republicans most at risk in Franco's new Spain the government withdrew to Elda in the province of Alicante However their plans were thwarted by a new rebellion of Republican officers led by Colonel Segismundo Casado who resented Negrín's reliance on the Communist Party and the USSR and believed themselves better equipped to negotiate a peace settlement with Franco They were misguided Franco had no wish and ultimately no need to negotiate Meanwhile faced with the imminent risk of arrest by the new junta the Prime Minister and his cabinet were forced to abandon Spain from the tiny aerodrome of Monvar A relatively quiet port on the eastern Mediterranean coast of Spain Alicante had remained at some distance from the frontlines throughout the fighting on the ground but swiftly became a target for Italian bombers operating out of bases in the Balearic Islands In May 1938 at the height of the air offensive Italian bombers attacked the marketplace causing a massacre as tragic as the events in Guernica yet largely ignored by historians As the war drew towards its conclusion Alicante became increasingly significant as attention focused on the plight of the defeated Republicans In the second half of March 1939 the fronts collapsed and Madrid finally fell to the insurgents Tens of thousands of refugees descended on Alicante in the forlorn hope of rescue by French and British ships that had been promised but which failed to materialise Amid the tragedy as the British and French governments declined to engage in any humanitarian intervention that might offend Hitler and Mussolini a single hero emerged Captain Archibald Dickson the Welsh master of the Stanbrook who ditched his cargo and transported 3 000 refugees to safety in North Africa On 30 March 1939 Franco's vanguard the Italian Volunteer Corps under General Gastone Gambara occupied a town already under the control of the Fifth Column Two days later the Generalissimo issued a communique from his headquarters in Burgos declaring that the war was over The bulk of the Republicans surrounded and captured in the port were marched to an improvised internment camp known as the Campo de los Almendros Field of Almond Trees They were then transferred to the infamous concentration camp at Albaterra to share the fate of defeated Republicans across Spain and to undergo the program of ideological cleansing of the new fascist authorities **The Parson of Panamint, and Other Stories** Peter Bernard Kyne, 1929 Tales of the western mining frontier especially California desert mining towns **Spanish Republicans and the Second World War** Jonathan Whitehead, 2021-09-30 Spanish Republicans and the Second World War tells the stories of the 500 000 Spanish Republicans that fled across the Pyrenees in 1939 as Catalonia fell to Franco's

victorious army in the final weeks of the Civil War Many of the exiles played an active part in the Second World War Some joined the French and British armed forces and saw action in various theatres including Africa and Europe both in 1940 and after D Day In August 1944 Spanish Republicans in the La Nueve Company of General Leclerc's Deuxième Blindée were the first Allied troops into Paris during the liberation of the French capital Those that had remained in Vichy France were active in the early days of the French Resistance and Republican Maquis also played a significant part in the liberation of the south west of France in 1944 Those who fought the Axis troops in Spain during the Civil War and then again in France assumed that once the Allies had defeated the Nazis they would launch a military campaign to overthrow Franco's government in Spain In October 1944 a force of thousands of Spanish Maquis took part in Operación Reconquista the invasion of the Valley of Aran on the Spanish side of the Pyrenees Their declared aim was to trigger a popular uprising and force the Allies to intervene against Franco's dictatorship Whitehead also examines the role of the Spanish volunteers of the División Azul who swore an oath of allegiance to Hitler and fought with the Wehrmacht on the Eastern Front the role of the master double agent Garbo who played a crucial part in the success of D Day the strategic importance of Gibraltar and the activities of the British diplomatic corps and secret services in resisting Hitler's plans to invade the Iberian Peninsula
