## **The Last Supper:**

**Leonardo Da Vinci, the Last Supper** Michael Ladwein,2006 Many great works of art have been created that we call Christian but none has received as much acclaim as Leonardo da Vinci's Last Supper Art lovers venerate it for its composition and noble aesthetics whereas for Christians it epitomizes the intimacy between Christ and his disciples In recent years following the publication of bestselling fictional narratives and dubious historical studies The Last Supper has also become the focus of intrigue controversy speculation and sensation Recent restoration of the painting has exposed remnants of the original work and removed falsifications created by over painting Thus for the first time since its creation more than five hundred years ago we can contemplate Da Vinci's masterpiece in its more or less original form This lavishly illustrated full color book reproduces many details of the restored work and the author turns our attention to newly revealed aspects of The Last Supper that lead to fresh interpretations The philosopher Rudolf Steiner called The Last Supper the world's most important work of art adding that it revealed the meaning of Earth existence Michael Ladwein sheds light on many aspects of the spiritual facts that can be uncovered in this immortal painting one that has lost nothing of its urgency in our modern world

*Jesus and the Last Supper* Brant Pitre,2015-11-23 Who did Jesus of Nazareth claim to be What was his relationship to early Judaism When and how did he expect the kingdom to come What were his intentions Though these key questions have been addressed in studies of the historical Jesus Brant Pitre argues that they cannot be fully answered apart from a careful historical analysis of the Last Supper accounts Yet these accounts both by the Gospel writers and by Paul are widely neglected by contemporary Jesus research In this book Pitre fills a notable gap in historical Jesus research as he offers a rigorous up to date study of the historical Jesus and the Last Supper Situating the Last Supper in the triple contexts of ancient Judaism the life of Jesus and early Christianity Pitre brings to light crucial insights into major issues driving the quest for Jesus His Jesus and the Last Supper is sure to ignite scholarly discussion and debate

Rev Dr Priscilla Eppinger Professor of Religion Community of Christ Seminary at Graceland University All Christians know that Jesus instituted a celebration with bread and wine It has various different names such as Last Supper Lord's Supper Communion or Eucharist Why do Christians today still participate in this celebration What is its meaning And what does it tell us about the ministry of Jesus Christ This book answers these questions by looking closely at the foundational texts in the Bible It is an invitation to first study relevant New Testament texts on the Last Supper of Jesus From there the quest for meaning continues to the Old Testament where topics such as Passover sacrificial rituals and atonement are investigated These texts offer decisive clues on how to comprehend forgiveness of sins that is effective during the Last Supper Moreover this book shows that the celebration which Jesus instituted was a ritualized meal Therefore it explores social functions of communal meals in Greco Roman antiquity Thus the Last Supper emerges as a powerful symbol that is still relevant today conveying the love of God and the ideal of an inclusive society
