The Of Me:

Free the Three of Me Lynley Nicole Serrano, 2021-12-11 It's scary To think anyone but me someday read this Scary to think that someday all of my deepest darkest and happiest thoughts might be read by somebody other than me That all of these thoughts that glide onto paper by way of blank ink pen could reveal the purest and rawest form of me By any random chance that some random stranger could pick up this journal or even someone close to me could pick up this notebook and with complete ease know who I am What's scarier is writing in this journal when I'm anywhere other than my room I bring this journal everywhere I go in case I need to unload my thoughts and feelings In order for anxiety to not take over me I write in this journal Writing is my form of therapy It saves me from anxiety attacks and overthinking myself into oblivion If someone does by chance read this know that this is all it is therapy The abundance of words that flow through these pages is private

The End of Me Liz Wann, 2021-03-01 Depending on Christ when motherhood pushes you to your limits There are many books on motherhood but not many that talk about how hard it is physically mentally and spiritually and what to do when you reach your limits When Liz Wann became a mother she was unprepared for how hard it would be In this book she writes honestly about these deeply challenging aspects of motherhood and how God works through them to make us more like his Son Coming to the end of who I was and what motherhood was stripping me of was a good thing that drove me to Christ and to the power that he supplies in every failure and weakness of motherhood This short easy to read book encourages mothers to depend on Christ when they reach their limits They will find that God will supply what they need to cope with the daily sacrifices and challenges of motherhood and that he will use these struggles to make them more like Christ Liz has been involved with the ministries of Risen Motherhood and Revive Our Hearts writing about how God has been working in her life through the hardships of motherhood

The Echoes of Me Ricky Firman, 2025-07-27 What if every version of you still existed somewhere waiting watching wondering who the real one is *The Echoes of Me* is not a tale of multiverse heroics It is a quiet collision of memory and possibility a journey through lives unlived words unsaid and selves forgotten In this haunting deeply personal novel a writer finds himself wandering between realities meeting the infinite variations of who he could have been Some are thriving Some are broken One is missing entirely Each chapter is a new life Each life is a mirror Some crack Some shatter All reflect something true This is not a quest to change the past It is an act of bearing witness to grief guilt healing and the fragile thread of identity that binds every echo together From childhood fears to grown up regrets from strangers in familiar faces to confrontations with the self *The Echoes of Me* is a story for anyone who's ever asked What if I had turned left instead of right and then stayed awake long into the night listening for the answer This isn't science fiction It's soul fiction
