**Miracles : 2 Volumes** Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook.com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports *In Defense of Miracles* R. Douglas Geivett, Gary R. Habermas, 1997-02-27 Can modern intellectuals believe in miracles Editors R Douglas Geivett and Gary R Habermas provide a collection of essays to refute objections to the miraculous and set forth the positive case for God s action in history **A Life of Miracles** Terri Jolynn Mullinix, 2021-04 We read about the miracles in the Bible but do we witness them today The pages in this book are filled with testimonies of the miraculous power of God These accounts are true and fascinating but most of all they are inspiring Allow God to lead you in His ways and seek the higher places in Him He will show His strength in the impossibilities of life so that you can rejoice in His great love for us One day you may testify to the supernatural miracle working power of our great God and Savior Jesus Christ and shine His light to the world **The Book of Miracles** Malcolm Day, 2002 Arranged chronologically from the years of the ministry of Christ to the present day this inspiring volume reviews unusual historical events and visions that defy scientific explanation 130 color illustrations **The Book of Miracles** Zsolt Aradi, 1956 **A Life of Miracles** Bill Johnson, 2011-07-28 Combining the most inspiring of three best selling books this 365 day guide to prayer and miracles feeds you daily manna from Heaven Your spirit will be enlightened and your soul strengthened as you face each day s glories and glooms You are the God who performs miracles You display your power among the peoples Psalm 77 14 The best from The Supernatural Power of a Transformed Mind Dreaming With God and When Heaven Invades Earth gives you the power to daily walk out of religious boundaries toward your Christian inheritance of healing signs and wonders and infinite possibilities You can experience A Life of Miracles one beautiful day at a time **Jesus and the Miracle Tradition** Paul J. Achtemeier, 2008 Working with selected miracles of Jesus from the canonical Gospel traditions and with background studies in the general understanding of miracles in the Greco Roman world of the Hellenistic period this collection of essays shows how we may understand the theological reasons why the early followers of Jesus included these stories in their traditions that constituted the canonical Gospels Using individual stories

from the Gospels three of the essays demonstrate how literary critical analysis can show the theological intent of the miracle story A second set of three essays examines the way Mark and Luke view the miracle tradition within their larger task of writing the story of Jesus A final set of three articles examines the Hellenistic background of such stories and the way they were used in secular and Jewish sources to gain perspective on what the early Christians intended with the miracle stories of Jesus
