## **The Of Names:**

**The Terrible Meanings of Names** Justin Cord Hayes, 2012-12-18 The bizarre meanings behind everyday names Did you know that Jacobs tend to cheat in school Marys have nasty attitudes and Catherines like to cause pain If our names are meant to represent our character then these kids have quite a number of unsavory traits according to their moniker s definition The same is true for many of today s common names From Andrea strong and manly and Douglas black water to Hayden heathen and Trent invader trespasser these people have been granted a life of misery ugliness mischief and confusion simply by being referred to by their name The Terrible Meanings of Names reveals the strange and sometimes insulting meanings behind the names you hear every day Filled with hundreds of unfortunate definitions and backstories you ll uncover the surprising origins and definitions of all your friends names

**The Language of Names** Justin Kaplan, Anne Bernays, 1999-03-10 As delightful and playful as it is profound and serious The Language of Names is an absolute original a fascinating book that reveals us to ourselves that demonstrates the endless variety of ways in which names shape our daily lives Drawing on social and literary history psychology and anthropology anecdotes and life stories biographer Justin Kaplan and novelist Anne Bernays have written a fascinating account of names and naming in contemporary society that touches on class structure ethnic and religious practices manners and everyday life Graceful eloquent and richly informed The Language of Names explores and illuminates our favorite subject ourselves

The Oxford Handbook of the Word John R. Taylor, 2015 This handbook addresses words in all their multifarious aspects and brings together scholars from every relevant discipline to do so The many subjects covered include word frequencies sounds and sound symbolism the structure of words taboo words lexical borrowing words in dictionaries and thesauri word origins and change place and personal names nicknames taxonomies word acquisition and bilingualism words in the mind word disorders and word games puns and puzzles Words are the most basic of all linguistic units the aspect of language of which everyone is likely to be most conscious A new word that makes it into the OED is prime news when baby says its first word its parents reckon it has started to speak knowing a language is often taken to mean knowing its words and languages are seen to be related by the similarities between their words Up to the twentieth century linguistic description was mainly an account of words and all the current subdivisions of linguistics have something to say about them A notable feature of human languages is the sheer vastness of their word inventories and scholars and writers have sometimes deliberately increased the richness of their languages by coining or importing new items into their word hoards The book presents scholarship and research in a manner that meets the interests of students and professionals and satisfies the curiosity of the educated reader
