A Comedy. As it is Acted at the Theatres-Royal in Drury-Lane and Covent-Garden. Written by Henry Fielding, Esq* Henry Fielding,1780 *Henry Fielding - The Old Debauchees* Henry Fielding,2017-01-13 Henry Fielding was born at Sharpham Park near Glastonbury in Somerset on April 22nd 1707 His early years were spent on his parents farm in Dorset before being educated at Eton An early romance ended disastrously and with it his removal to London and the beginnings of a glittering literary career he published his first play at age 21 in 1728 He was prolific sometimes writing six plays a year but he did like to poke fun at the authorities His plays were thought to be the final straw for the authorities in their attempts to bring in a new law In 1737 The Theatrical Licensing Act was passed At a stroke political satire was almost impossible Fielding was rendered mute Any playwright who was viewed with suspicion by the Government now found an audience difficult to find and therefore Theatre owners now toed the Government line Fielding was practical with the circumstances and ironically stopped writing to once again take up his career in the practice of law and became a barrister after studying at Middle Temple By this time he had married Charlotte Craddock his first wife and they would go on to have five children Charlotte died in 1744 but was immortalised as the heroine in both Tom Jones and Amelia Fielding was put out by the success of Samuel Richardson s Pamela or Virtue Rewarded His reaction was to spur him into writing a novel In 1741 his first novel was published the successful Shamela an anonymous parody of Richardson s novel Undoubtedly the masterpiece of Fielding s career was the novel Tom Jones published in 1749 It is a wonderfully and carefully constructed picaresque novel following the convoluted and hilarious tale of how a foundling came into a fortune Fielding was a consistent anti Jacobite and a keen supporter of the Church of England This led to him now being richly rewarded with the position of London s Chief Magistrate Fielding continued to write and his career both literary and professional continued to

climb In 1749 he joined with his younger half brother John to help found what was the nascent forerunner to a London police force the Bow Street Runners Fielding's ardent commitment to the cause of justice in the 1750s unfortunately coincided with a rapid deterioration in his health Such was his decline that in the summer of 1754 he travelled with Mary and his daughter to Portugal in search of a cure Gout asthma dropsy and other afflictions forced him to use crutches His health continued to fail alarmingly Henry Fielding died in Lisbon two months later on October 8th 1754 *Henry Fielding - Plays, Volume II, 1731 - 1734* Henry Fielding, 2004 This is the second of three volumes representing the only modern edition of Fielding's dramatic works Most of these plays have not appeared in print for a century and never previously in fully edited form Fielding is best known as a classic novelist and the author of Tom Jones but like his great model Cervantes he came to novel writing from an important first career in professional theatre He wrote twenty eight plays including comedies satiric extravaganzas and ballad operas He was the leading playwright of his generation an experimentalist and entrepreneur of dramatic form who sometimes also brought contemporary politics and public figures onto his stage with results even more dramatic off stage This volume presents nine plays from one of the most productive and successful periods of Fielding's theatre career One of them The Grub Street Opera is a ballad opera cheerfully mocking various public characters including the Prime Minister Prince of Wales and even King and Queen Another The Modern Husband is a dark comedy attacking the cynical merchandising of sex marriage and influence among what passes for polite society in 1730s London Most of the plays in this volume were major hits with long stage lives in repertory including The Lottery The Intriguing Chambermaid and two of the great Molière adaptations of the century The Mock Doctor and The Miser Fielding wrote all four of those plays as star vehicles for the great Drury Lane musical actress Catherine Clive The plays are given in critical unmodernized texts based on careful collation of the original editions with explanatory notes and commentary on sources stage history and critical reception All music is included with appendices giving complete accounts of textual variation and bibliographic history for each play *British Museum Catalogue of Printed Books*, 1881
