The Only Emperor:

The Only Emperor Robert Greacen, 1994 **Enigma of the Emperors** Ben-Ami Shillony, 2021-10-01 This important new and original study on the institution of the Japanese emperors from their mythological beginnings to the present day focuses on the enigma of the institution itself namely the extraordinary continuity of the Japanese dynasty which is unknown anywhere else in the world yet which is now at risk on account of more recent laws of succession The prisms through which this remarkable achievement is examined are the notions of divinity gender and subservience The volume is divided into nine sections Strange Survival The Feminine Beginnings of the Japanese Monarchy Empresses and Consorts Subservience as Power Rising Fortunes in an Era of Peace Meiji the National Father Figure The Elusive Divinity of the Modern Emperors Return to Sacred Subservience Continuity in Danger Based on earlier research first published in Japanese Haha Naru Tenno Enigma of the Emperors adds significantly to the existing corpus of work on this subject addressing many traditional preconceptions and misconceptions along the way Accordingly it will undoubtedly be welcomed within scholarly circles as well as being of particular interest to a wider readership not least because of its relevance in the context of the major contemporary issues surrounding the future of the dynasty in the twenty first century **The Emperor's Black Swan**

Karasmara, 2021-05-16 Can a wolf and a swan be together Darilus Gratagan is the Elven emperor of the Aluthia Empire His rise to power brought to him a dark curse a demonic wolf is infesting in his body For a hundred and twelve years he has managed to suppress the curse But the demon is getting stronger to the point that Darilus finds himself turning into a monster almost every night He begins to desire blood and his people are in danger of himself Until he finds the evil witch from Tollyria in his royal garden I can tame a demon dog she says Sania has died At least she thought so But then she opens her eyes in Aluthia s royal garden and when she looks at the reflection of the pond she sees herself as a black swan However when night comes she shifts back into her original form the White Witch of Tollyria For some reason she cannot leave the royal garden Then she meets the Emperor of Aluthia in the form of a demonic wolf Make a deal with me he says This story will be applied to PTR on Nov 5th 2021 The Emperor Domitian Brian Jones, 2002-09-11 Domitian Emperor of Rome AD 81

96 has traditionally been portrayed as a tyrant and his later years on the throne as a reign of terror Brian Jones biography of the emperor the first ever in English offers a more balanced interpretation of the life of Domitian arguing that his foreign policy was realistic his economic programme rigorously efficient and his supposed persecution of the early Christians non-existent Central to an understanding of the emperor s policies Brian Jones proposes is his relationship with his court rather than with the senate Roman historians will have to take account of this new biography which in part represents a rehabilitation of Domitian **The Emperor's Old Clothes** Barbara Stollberg-Rilinger, 2015-08 For many years scholars struggled to write the history of the constitution and political structure of the Holy Roman Empire This book argues that this was because the political and social order could not be understood without considering the rituals and symbols that held the

Empire together What determined the rules and whether they were followed depended on complex symbolic ritual actions By examining key moments in the political history of the Empire the author shows that it was a vocabulary of symbols not the actual written laws that formed a political language indispensable in maintaining the common order The Credibility and Morality of the Four Gospels.
