L. Gillette,2014-05-12 Carving is one important acquisition in the routine of daily living and all should try to attain a knowledge or ability to do it well and withal gracefully When carving use a chair slightly higher than the ordinary

size as it gives a better purchase on the meat and appears more graceful than when standing as is often quite necessary when carving a turkey or a very large joint More depends on skill than strength The platter should be placed opposite and sufficiently near to give perfect command of the article to be carved the knife of medium size sharp with a keen edge Commence by cutting the slices thin laying them carefully to one side of the platter then afterwards placing the desired amount on each guest s plate to be served in turn by the servant In carving fish care should be taken to help it in perfect flakes for if these are broken the beauty of the fish is lost The carver should acquaint himself with the choicest parts and morsels and to give each guest an equal share of those tidbits should be his maxim Steel knives and forks should on no account be used in helping fish as these are liable to impart a very disagreeable flavor A fish trowel of silver or plated silver is the proper article to use [New York Magazine](#) ,1983-05-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Food and Drink in American History* Andrew F. Smith,2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history
