The Other Hampton Judy Tomkins, Calvin Tomkins, 1974      **The End of the Hamptons** Corey Dolgon, 2005-05-01  
Winner of the 2005 Book Prize from the Association for Humanist Sociology A portrait of the contentious controversial history of the Manhattan elite s favorite fabled summer playground In this absorbing account of New York s famous vacation playground Corey Dolgon goes beyond the celebrity tales and polo games to tell us the story of this complex and contentious land From the displacement of Native Americans by the Puritans to the first wave of Manhattan elites who built the Summer Colony to the current infusion of telecommuting Manhattanites who now want to live there year round the story of the Hamptons is a vicious cycle of supposed paradise lost Drawing on this fabled land s history **The End of the Hamptons** provides a fascinating portrait of current controversies the Native Americans fighting over land claims and threatening to build a casino the environmental activists clashing with the McMansion builders and the Latino day laborers and working class natives trying to eke out a living in an ever increasingly expensive town      One for the Other Andrew P. Campbell, 2025-06-24 For two thousand years the cross of Christ has been the central point of Christian theologies of salvation However in recent years a variety of theologians such as Rosemary Radford Ruether Rita Nakashima Brock J Denny Weaver and Ren Girard united in their disdain for violence have abandoned any divine sanction or salvific significance for the cross of Christ Instead they frame atonement not in terms of Christ s death but his life formulating atonement theologies that address the need for an ethical concern for the oppressed and powerless Other This volume is dedicated to offering a fair account of their revisions identifying the ethical undertones that lead nonviolent theologians and thinkers to reform atonement theology examining their claims in light of those ethical foundations and exploring P T Forsyth as a viable alternative for contemporary theology      **Hampton's Magazine** , 1909      The Virtues of Vengeance Peter A. French, 2001 In the course of his study of vengeance as a moral concept French exposes important distinctions between types of moral theories karmic and non karmic and between people who are morally handicapped and those who are morally challenged He examines concepts relevant to vengeance such as honor moral authority and evil and issues such as the rationality of revenge and proportionality in punishment BOOK JACKET      **The Northwestern Miller** , 1922      **The Return of Feminist Liberalism** Ruth Abbey, 2014-10-14 While it is uncontroversial to point to the liberal roots of feminism a major issue in English language feminist political thought over the last few decades has been whether feminism s association with liberalism should be relegated to the past Can liberalism continue to serve feminist purposes This book examines the positions of three contemporary feminists Martha Nussbaum Susan Moller Okin and Jean Hampton who notwithstanding decades of feminist critique are unwilling to give up on liberalism This book examines why and in what ways each of these theorists believes that liberalism offers the normative and political resources for the improvement of women s situations It also brings out and tries to explain and evaluate the differences among them notwithstanding their shared allegiance to

liberalism In so doing the books goes to the heart of recent debates in feminist and political theory *Atlantic Reporter*, 1922 **Irvin Jacobs & Company V.
