They Met God:

Girl Meets God Lauren F. Winner, 2002-09-16 Like most of us Lauren Winner wants something to believe in The child of a reform Jewish father and a lapsed Southern Baptist mother she chose to become an Orthodox Jew But as she faithfully observes the Sabbath rituals and studies Jewish laws she finds herself increasingly drawn to Christianity Taking a courageous step she leaves behind what she loves and converts Now the even harder part How does one reinvent a religious self How does one embrace the new without abandoning the old How does a convert become spiritually whole In *GIRL MEETS GOD* this appealingly honest young woman takes us through a year in her search for a religious identity Despite her conversion she finds that her world is still shaped by her Jewish experiences Even as she rejoices in the holy days of the Christian calendar she mourns the Jewish rituals she still holds dear Attempting to reconcile the two sides of her religious self Winner applies the lessons of Judaism to the teachings of the New Testament hosts a Christian seder and struggles to fit her Orthodox friends into her new religious life Ultimately she learns that faith takes practice and belief is an ongoing challenge Like Anne Lamott's Winner's journey to Christendom is bumpy but it is the rocky path itself that makes her a perfect guide to exploring spirituality in today's complicated world Her engaging approach to religion in the twenty first century is illuminating thought provoking and most certainly controversial

One Step Closer CJ Plogger,2016-12-31 A journey is a collaboration and culmination of many steps Sometimes our steps move us forward or backwards Sometimes we take steps to the left or to the right Our goal should be that our steps move us toward a definite destination We hope that our steps are taking us nearer to that which will make us stronger better

or even be greater people As our steps are crucial our end point is as well If we want to have the life that God has in store for us we need to be walking toward Him daily God has a life of peace and joy for us Not problem free but one of peace Not without tribulations or trouble but one of triumph In order for us to possess this life God has to be our end destination He has to be the one that we are focusing and He has to be the one that we are depending upon In order for us to grow in the Lord and step closer to Him we must be intentional It would be wonderful if we could just wake up and be spiritually stronger than we have ever been before But that is not reality We must be systematic and strategic if we are going to grow in the Lord This book will help and lead you to grow spiritually Jesus said If we are to follow Him we are to take up our cross daily One Step Closer is a tool that will not only strengthen us now it will impact our eternity **The Church Missionary Intelligencer** ,1906 *Altar Call in Europe* Uta A.
