Nerli's presence sets in train a disturbing sequence of events. More than a century later, art historian Lewis Wakefield comes to Samoa to research the painting of Tusiata's portrait by the long forgotten Italian artist. On hiatus from his bipolar medication, Lewis is freed to confront the powerful reality of all the desires and demons that R. L. Stevenson couldn't control. Lewis's personal journey is shadowed by the story of the lovable Teuila, a so-called *fa'afafine* in the manner of a woman and the spirit of Stevenson's servant boy Sosimo. Set in an evocative tropical landscape haunted by the lives and spirits which drift across it, *The Pacific Room* is both a love letter to Samoa and a lush and tender exploration of artistic creation, of secret passions and merging dualities. *The Pacific Monthly*, William Bittle Wells, Lute Pease, 1908. **Pacific Century**, Mark Borthwick, 2018-04-20. This book examines the role of the international financial system in the development of Pacific Asia and conversely the region's growing influence on North America and the world economy. It looks at the distant future being devoted primarily to understanding the emergence of modern Pacific Asia. **The Pacific**, 1909. **The Pacific Reporter**, 1930. **Pacific Pharmacist**, 1909.
