Pearl S. Buck's Novels of China and America Rob Hardy, 2021-08-30 This book the first single authored book length study of Buck's fiction for over twenty years shows how Buck's thought developed through the medium of her fiction from her early turbulent years in China to her last lonely days in the United States with chapters examining her loss of faith in Christianity her reflections on Chinese life during and after the breakdown of Old China her voluminous reading her confrontation with the horrors of American racism and sexism after her return to the United States and her final metaphorical search for home as she approached death The book argues that Buck the first American woman to win both the Pulitzer and Nobel prizes for literature was a heroic forerunner of those who while occupying a place in the world never feel fully at home there in Buck's case because her Chinese identity throughout her life struggled with her American For this

reason Pearl S Buck's fiction deserves to be considered alongside that of writers such as Anthea Min Maxine Hong Kingston and Amy Tan. The book's central claim is that Buck is a major novelist capable of speaking to the distress of our times richly deserving the honor she has received in China and deserving greater recognition in the United States.

A Parent/Teacher Guide to Children's Books on Peace and Tolerance Bob Blumenthal, 2005. How do you teach children to value peace and appreciate diversity? One way is to provide them with books with themes that promote these ideas. *The Parent Teacher Guide to Children's Books on Peace and Tolerance* offers readers a wide variety of award-winning titles along with annotations and grade-level recommendations. The book is divided into the following sections: Preschool, grade three, Grades 4-6, Middle school, and High school. Each section has over 100 listings. Topics include civil rights, the Holocaust, slavery, Native Americans, bullying, war, child abuse, bigotry, cooperation, acceptance, apartheid, family relationships, Arab-Israeli conflict, controlling anger, the Civil War, the Vietnam War, WWII, gays and lesbians, and other social issues. Many of these books are the recipients of the following awards and honors: Newbery Award, School Library Journal starred review, Caldecott Award, Boston Globe Horn Book Award, American Library Association Notable Book, Jane Addams Children's Book Award, American Bookseller Pick of the List, Kirkus Reviews starred review, Publishers Weekly starred review, Booklist starred review, Coretta Scott King Award, VOYA Top Picks, National Book Award, and the Michael L. Printz Award. This guide is an excellent resource for parents who would like their children to become peace-loving, accepting adults. Teachers who are looking for books to supplement their curriculum will find the suggested titles to be among the best-written works in the designated areas. For example, one would be hard-pressed to find a better-written book on the Holocaust for middle and high school students than *I Have Lived One Thousand Years*. The author has done a great service by providing parents and teachers with a list of books that cannot be found anywhere else.

Modern Fantasy: The 100 Best Novels David Pringle, 2014-09-30. Pringle presents his selections in chronological order and includes a synopsis of the story, a discussion of the author's overall contribution to fantasy literature, critical commentary on the title's significance, and a brief publishing history. An introductory essay tackles the difficulty of defining fantasy, while a Brief Bibliography directs readers to other discussions of the genre. By no means a definitive subject guide, this entertaining volume should serve as a solid introduction to the elusive field of imaginative literature.

Mothers as Keepers and Tellers of Origin Stories Kerri S. Kearney, 2019-12-01.
