Through the Third Eye Bob Frank, 2011-11-11 Clay Barton gained access to temporarily declassified past life regression protocols used by the CIA when he worked at the Stanford Research Institute Since then he has been something of an armchair treasure hunter conducting hypnotic past life regressions on people Shali Faisal and Clay take their roaming reincarnation parapsychology practice direct to their subjects and guide them through their past lives They coax out information about lost valuables or hidden treasures from long ago The subjects remember almost nothing of

their reincarnation sessions so the rewards are all theirs for the taking They heard whispers about a collection of hidden writings that have ties to the rumored secrets of the universe Upon finally finding these treasures they are confronted by a unidentifiable secretive nemesis intent on stopping them Despite being aided by a benevolent ally they are repeatedly blocked from their goal

The Third Eye Jrb Ross,2019-10-16 How does it feel to see what others don't see hear what others don't hear and feel what others don't feel To have no place to hide no place to escape no one to turn to and no one who understands Fasten your seat belt as we go on a journey packed with horror and thrill Get ready to see the world through The Third Eye A third eye is a higher type of consciousness that opens your soul towards another dimension that ordinary people cannot perceive or see It does not necessarily mean that a physical eye appears in your forehead or in the middle of your two eyes Instead it is a state of heightened senses enabling a human being to have visions clairvoyance ability to sense or see spirits and evil entities or do astral travel out of the body Most people whose third eye are open suffer anxiety insanity and rejection since ordinary people could not relate to the horror they have to face A near death experience or a traumatic event are some causes for a third eye to open Some people are born with the third eye open while some were intentionally awakened by expert mediums
