*A Funny Thing Happened on the Way to Beirut* Pat Stewart, 2000-04 It's hard to coach a team when your players don't show up Mafi muscula Hard to make air flights without reservations Mafi muscula Can't tape ankles without tape Hey Why isn't Darrin here from the States yet Mafi Muscula Can't understand these Hungarian menu forms we could starve Mafi muscula We're almost out of tea Muscula In Arabic mafi muscula means no problem But a better definition is probably no problem for ME big problem for YOU Saudi Arabia is where mafi musculas start but they don't end there From Saudi it's on to a training camp near Budapest then onward to Beirut for the basketball championships of the Eighth Pan Arab Games Some funny things happen along the way And there too These are recounted through the eyes of an American coach They sometimes happen on the court but more

often off Some are pretty peculiar and that s the kind of questions they raise For example Was Bruce Springsteen born in Saudi Arabia Do you know how to properly kiss your players Why are Homer s underpants radioactive Is Martin as dead as he thinks Is Adel as dead as Coach tells his mom he is How to get a lunatic asylum airborne When must camels kill you And more

**Thirty Happens** Elizabeth Butts,2016-08-29 Turning thirty is a big deal Getting married is also a big deal Karyn s about to do both and she s freaking out about it From the outside looking in anyone would think that she s got it all going on Amazing fiance who adores her job as the top reporter in town and a group of amazing friends But Karyn had dreams as a kid She had these amazing huge goals She was so close to achieving them too However as life has a tendency to do it took a detour And now she s turning thirty and it turns out she is nowhere near where she thought she would be at this point in her life Amidst turning thirty and getting married she can t help but ask herself the question If I could go back and change directions would I Would you

**Metaphysical Africa** Michael Muhammad Knight,2020-09-15 The Ansaru Allah Community also known as the Nubian Islamic Hebrews AAC NIH and later the Nuwaubians is a deeply significant and controversial African American Muslim movement Founded in Brooklyn in the 1960s it spread through the prolific production and dissemination of literature and lecture tapes and became famous for continuously reinventing its belief system In this book Michael Muhammad Knight studies the development of AAC NIH discourse over a period of thirty years tracing a surprising consistency behind a facade of serial reinvention It is popularly believed that the AAC NIH community abandoned Islam for Black Israelite religion UFO religion and Egyptosophy However Knight sees coherence in AAC NIH media explaining how in reality the community taught that the Prophet Muhammad was a Hebrew who adhered to Israelite law Muhammad s heavenly ascension took place on a spaceship and Abraham enlisted the help of a pharaonic regime to genetically engineer pigs as food for white people Against narratives that treat the AAC NIH community as a postmodernist deconstruction of religious categories Knight demonstrates that AAC NIH discourse is most productively framed within a broader African American metaphysical history in which boundaries between traditions remain quite permeable Unexpected and engrossing Metaphysical Africa brings to light points of intersection between communities and traditions often regarded as separate and distinct In doing so it helps move the field of religious studies beyond conventional categories of orthodoxy and heterodoxy challenging assumptions that inform not only the study of this particular religious community but also the field at large
