Thirty Years Of Treason:

Thirty Years of Treason ; Excerpts From Hearings Before the House Committee on Un-american Activities, 1938-1968 U.S. CONGRESS. HOUSE. Committee on Un-American Activities,1972 *Thirty Years of Treason* Eric Bentley,1973 The testimony that the author has gleaned for this book from the thirty year record of the House Un American Activities Committee focuses on HUAC s treatment of artists intellectuals and performers This highly readable and absorbing collection of significant excerpts from the hearings shows with painful clarity how HUAC grew from a panel that investigated possible subversive activities in a dignified manner to a huge unrelenting accusatory finger from which almost no one was safe This book serves as a warning for the future and creates living history from the documentary record The basic document with which all future studies of the House Un American Activities Committee will have to begin Dalton Trumbo what he has done is give us HUAC as spectacle and the perspective is shattering Victor Navasky The New York Times *Thirty Years of Treason* United States. Communism in Hollywood Alan Casty,2009 Drawing on newly available material Casty illustrates the control by the international Communist movement and the role of the Hollywood Communists themselves in fomenting the intense hostilities of the period Casty juxtaposes the actions and statements of those who testified and named names before HUAC with Communists who refused to testify and remained silent about the atrocities of the Soviet Union By providing a scrupulous account of the full scope of the Communist Party in Hollywood this book presents a more accurate picture of the moral quandaries faced during this dark period in American history **BOOK JACKET** [A Treacherous Secret Agent](#) Marjorie Garber,2026-03-24 A world renowned critic s haunting and deeply researched account of the subversive acts of literary revenge performed during the Red Scare hearings of the 1950s In the 1930s 40s and 50s the House Un American Activities Committee HUAC and the Senate Subcommittee on Investigations led by Senator Joseph McCarthy targeted actors directors singers filmmakers writers and prominent scientists accusing them of disloyalty subversion and treason against the United

States of America HUAC and McCarthyism ruined careers and lives But something striking also happened during the hearings the poems plays novels and song lyrics cited in the witness testimony spoke back offering uncanny counter testimonies and remarkable acts of poetic revenge This book is an urgent probing exploration of the HUAC its attempts to bowdlerize and contort facts and the voices that rose out of history to oppose and subsume it Marjorie Garber shows how writers versed in the literary tropes of revenge appear in the hearings William Shakespeare Christopher Marlowe Thomas Kyd John Donne George Herbert Francis Bellamy and others But the agent of revenge is not the author of the work it is the work itself with all its cultural power and relevance spanning years or centuries In narrating the destructive history of the Red Scare Garber powerfully illuminates the constructive force of literature in opposing political oppression **Thirty years of treason; experts from hearings before the house committee on un-american activities 1938-1968** E.
