Treasures Of The Spanish Main:

Treasures of the Spanish Main John Christopher Fine,2006-09-01 This is a story about the lust for gold and treasure Fine writes In the 1600s and 1700s Spain dominated the oceans with its fleet of galleons Coming to the New World these ships filled their holds with gold and silver and treasures beyond imagining The seaway between Spain and the New World was dubbed The Golden Highway On their journeys back across the seas many were wrecked on reefs or destroyed by hurricanes The watery depths now hold their treasures Today treasure divers seek their fortunes by attempting sometimes successfully sometimes fatally to retrieve these hordes of riches In *Treasures of the Spanish Main* readers relive each voyage of long ago as well as witness the modern wreck diver s efforts to extract their secrets Included are The 1622 fleet The Concepcion The Maravillas The Shipwreck off Jupiter Beach The San Jose the 1715 Fleet and the 1733 Fleet The voyages of centuries ago come alive with Fine s excellent historical detail Readers will experience the wild storms and the results of unfortunate choices made by long ago sailors The eccentric treasure hunters of today along with those of the past create a mosaic of suspense and drama on the high seas A must for everyone interested in pirates treasure sailing history or just plain fun

Treasures of the Spanish Main Mike Seuberling,2002-08 You might ask why document your estate Why do individuals create a will Why do individuals spend countless hours and dollars in planning their estate For the same reason you created your will and planned your estate documenting your estate is the last and most important step in having your affairs in order It allows you your executor administrator and beneficiaries the ability to find your assets and execute your wishes and intentions in the event that you are incapacitated or pass away As well it serves as a confidential checklist giving peace of mind in knowing you have reviewed and made aware your wishes and intentions *How To Document Your Estate* is a practical guide for organizing your affairs The book shows you step by step how to create compile and update one concise report for reference and due diligence in the event of an emergency *How To Document Your Estate* includes countless examples and practical tips The book is broken into sections where each segment stands alone and can be done in any order Topics include Estate Papers Financial Information Safekeeping Healthcare Insurance Property and Inventories Contacts *How To Document Your Estate* will benefit you your beneficiaries administrators and executors Whatever your age or situation the information is priceless Testimonials It s about time somebody wrote something like this There s more to croaking than writing a will An Estate Attorney Texas I do want a copy of Steve s book for me I wish I had something like that when Jim was so sick Mary North Carolina The author s web site is www.estimatedocumentation.com
