1-50; 51, no. 3- ol. 63 David Thomas,1886 Tree Wisdom Vincent Karche,2019-12-17 Twelve lessons that trees can teach us to achieve inner calm with mindfulness and journaling exercises Forest bathing tree hugging earthing and nature retreats more and more we are craving a return to nature to peace and simplicity This book shows the way When international opera tenor and forester Vincent Karche lost his voice he was instructed by a shamanic healer that to regain it he would have to find himself again first Thus began a journey into the heart of the forest In this book Vincent mirrors the cyclical nature of the seasons to help us reconnect to our natural rhythm find inner peace and activate physical and emotional healing Just as a tree anchors its roots into the earth to weather storms so too can we learn to cultivate resilience to find instant relief from stress we need only breathe slowly in and out as a tree would and we can forge stronger relationships by encouraging symbiotic links with all beings giving and taking only what we need as trees and plants do In this poetic exploration of the unbreakable bond between nature and human Vincent reminds us that we are both the forest and the tree each unique in our being and yet part of a Divine natural creation
