**Reconciled An Orphan's Journey** Charles Goessler,2018-08-24 Charlie Goessler grew up in the suburbs of LA with a pool new cars and a homelife that many would envy at least on the outside Inside was a different matter Charlie s life was a cauldron of fear and insecurity At an early age he lost his parents and this sent him on a lifelong quest to understand his need for a father ultimately realizing it in his relationship with God **The Secret of MeadowBrook Orphanage** D. C. Johnson,Ron Rowan,2012-05 It is said that love is the greatest gift of all but in reality there are two greatest gifts One is love that much we already know to be true However the second greatest gift is that of being a child for it is only as a child that one knows how to truly believe And it is this simple act of believing that has its own special kind of magic as you will see in this story When a child believes there is an energy that feeds everything and everyone around them It feeds even those magical beings who most adults can no longer see nor will they ever see again because they no longer know how to see that which they stopped believing in Sadly enough there are even some children who stop believing Sometimes it takes the energy of other children to awaken their beliefs again and that is also the case in this story So I invite you to reconnect to the magic that each of us once had the magic that children always hold and the magic that will bring you to a place where everything is possible All you have to do is believe **The Saturday Evening Post** ,1929 *The Orphan's Tent* Tom De Haven,1996 Del Schofeld is a talented and mysterious up and coming rock singer who one day vanishes Her perplexed friends trace her to Virginia where a strange old woman assures them that Del is not dead just missing Picking up clues along the way in diners nightclubs and city streets the group catch drift of a bizarre tale that of a cultish 1930s orphan heist Young Adult **In the House of the Hangman - Volume 7** John Bloomberg-Rissman,2016-12-31 A marathon dance mix consisting of thousands of mashed up text and image samples In the House of the Hangman tries to give a taste of what life is like there where it is impolite to speak of the noose It is the third part of the life project Zeitgeist Spam If you can t afford a copy ask me for a pdf **The Half-Orphan's Handbook** Joan F.
