**Inner Oracle** Lily Cooper,2026-01-06  
Inner Oracle A Guide to Deep Intuition by Lily Cooper Inner Oracle A Guide to Deep Intuition is a non fiction guide to inner listening and symbolic perception It presents a sober method built on silence breath and focused attention using the images of the inner temple the inner eye and soft light as a practical framework for clarity and stability The book explores dreams metaphors archetypes and the inner master as ways to organize intuitive reception without superstition or spectacle A central thread is discernment separating intuition from fear desire and projection then integrating what is received into simple ethical and proportionate actions in daily life

The Private Justice Gap Célia Filipa Ferreira Matias,2026-03-31 This book examines how private justice challenges the state s monopoly on adjudication with a particular focus on today s digital contexts The author contends that private interventions can be legitimate expressions of justice rather than threats to it and argues for a nuanced approach This applies when such interventions respond to genuine injustices and meet the criteria of suitability necessity and proportionality while respecting fundamental ethical boundaries By proposing a framework for private justice defence the book explores how this stance could bridge the gap between public and private justice systems fostering greater collaboration between citizens and the state By acknowledging the role of private adjudication in rectifying injustices the book advocates a legal landscape that empowers individuals to act in the service of justice while upholding core principles of fairness and cooperation The book will appeal to scholars of legal theory and law and technology
