Stolen Party:

The Stolen Party and Other Stories Liliana Heker, 1994 Origins of the Great Purges John Arch Getty, 1987-01-30
This is a study of the structure of the Soviet Communist Party in the 1930s Based upon archival and published sources the work describes the events in the Bolshevik Party leading up to the Great Purges of 1937 1938 Professor Getty concludes that the party bureaucracy was chaotic rather than totalitarian and that local officials had relative autonomy within a considerably fragmented political system The Moscow leadership of which Stalin was the most authoritarian actor reacted to social and political processes as much as instigating them Because of disputes confusion and inefficiency they often promoted contradictory policies Avoiding the usual concentration on Stalin s personality the author puts forward the controversial hypothesis that the Great Purges occurred not as the end product of a careful Stalin plan but rather as the bloody but ad hoc result of Moscow s incremental attempts to centralise political power **Writing Success Through Poetry** Susan Lipson, 2006 Offering a wide variety of creative prompts that will engage any writer Writing Success Through Poetry provides timesaving lessons to help teachers create a writers workshop in the classroom The author a published poet and children s book author provides 25 original poems as prompts for students to use as inspiration for their own poetry and prose The book offers practical pointed questions to facilitate Socratic style discussions and explorations of literary concepts found within the poems Writing Success Through Poetry uses methods to instill young writers with a mental checklist for self evaluation of their writing as well as a profound respect for the power of poetic writing in every genre Book jacket *Historia Placitorum Coronae* Matthew Hale, 1847 **Mothers and Daughters** Alberto Manguel, 1998-04 Turning his inspired anthologizing skills to a subject all readers can relate to celebrated writer and editor Alberto Manguel offers an exceptional collection of complete short stories about the relationship between mothers and daughters Contributors include Dorothy Allison Daphne du Maurier Carson McCullers Katherine Mansfield Edith Wharton Janet Frame and others *Please Talk to Me* Liliana Heker, 2015-01-01 The first short story collection in the Margellos series from a master of the genre and an irrepressible critic during Argentina s brutal years of repression Acclaimed for the gemlike perfection of her short stories Liliana Heker has repeatedly received major literary awards in her native Argentina Her work has some of the dark humor of Saki or Roald Dahl and her versatility and range have earned her a wide appreciative audience This expertly translated volume brings to English language readers the full compass of Heker s stories from her earliest published volume 1966 through her most recent 2011 Heker rejected exile during the dangerous Dirty War years and formed part of a cultural resistance that stood against repression As a writer she found in the microcosm of the family and everyday events subtle entry into political historical and social issues Heker s stories examine the rituals people invent to relate to one another especially girls and women and they reveal how the consequences of tiny acts may be enormous With charm economy and a close focus on the intimate Heker has perfected the art of the glimpse **Historia Placitorum Coronae** Matthew Hale, Sir Matthew Hale, 1736

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
