Stone Child Robert E. Poliquin,1995 *Stone Child's Mother* Virginia Nemetz,2012-01-17 At the time of Creation Sky Father united with Earth Mother and from their union was born Stone Child At birth Stone Child knew instinctively that it would be her task to transform herself To this end she stepped onto the Spirit Path Stone Child s Mother is a shared quest for wholeness Written for those who yearn to acquire the necessary life giving mother energy to heal Virginia Nemetz has the unusual gift to write about the mother archetype in its personal and symbolic aspect Her own lifelong quest is beautifully interwoven with the universal background Fluently written her book will capture the longing of so many who yearn for union with the female core of the journey in tune with the ever changing and life giving mother energy in its dark light and spiritual aspects which guide the lives of women This beautiful book touched me deeply It is genuine and shares Virginia s journey in a generous way Kathrin Asper PhD author of *The Inner Child in Dreams and The Abandoned Child Within On Losing and Regaining Self Worth* *The Stone Child* Gary Fincke,2003 *The Stonechild Betrothal* Katalinya Palokova,2014-08-27 Estli is a professional bodyguard and fighter for hire who stumbles on a job that looks like easy money escort a cursed magician named Maurin Stonechild from a remote mountain village to the bustling town of Plains City to investigate an offer of arranged marriage Complications begin right away of course Maurin s curse is the stuff of legend he is one of 12 people referred to as the stone children who were cursed at birth to carry a physical manifestation of their birthstone on their bodies The stones give them enhanced but dangerous magical abilities and many of them are feared and live in seclusion Maurin s identity alone would be enough to make Estli think twice about the job but the identity of the man Maurin has been asked to marry is even more startling Riven Glassweaver is an infamous underworld fixture with a reputation for acquiring powerful magical artifacts Like say amethyst crystals harvested from the skin of a magician or worse yet the magician himself Eventually convinced to take the job because he is unwilling to leave it to less capable hands Estli runs across one final complication Maurin is exactly his type and the feeling is mutual
