## Storie Di Gatti:

From Caligula to the Nazis John M. McManamon,2023-12-14 The saga of Caligula's barges sunk in Lake Nemi south of Rome how the huge vessels came to be there in the first place why they became a cause célèbre for Mussolini's Fascist regime how they were after multiple attempts recovered from the lake bed and why they were shortly thereafter destroyed is in the words of author John McManamon a good story that is worth telling It has memorable characters twists and turns in the plot no lack of conflict and tension and a dramatic ending where something clearly went wrong In From Caligula to the Nazis The Nemi Ships in Diana's Sanctuary McManamon takes readers on an excursion through history to the fiery ending of the tale a journey propelled by narrative energy and enhanced by the fruits of careful research Related topics include Roman mythology and state religion the erratic reign of the infamous Caligula underwater archaeology as practiced during the Renaissance the ideological exploitation of archaeology by Il Duce and his fascist followers and a historical whodunit to ascertain the choices that led to the arson of the ship remains McManamon covers every chapter in the 2 000 year history of the ships and does not ignore the mistaken interpretations that at times led subsequent researchers into blind alleys In the end From Caligula to the Nazis provides for both academic specialists and informed general readers the careful unwinding of a centuries long mystery replete with heroes villains gods kings and numerous ordinary folk swept up into the maelstrom
