**Tell Me a Story** Scott McClellan, 2013-02-18 Do you know what makes a story great All the best stories have a few things in common First we need the voice of a narrator or a storyteller Then add interesting characters throw them into a risky setting and get ready for a good dose of conflict Give those characters a purpose or goal and that's then the real action begins Story is our calling It is also the next generation's best chance of identifying with the Church and changing the world As we become storytellers we learn to see the world in terms of stories being lived and told We discover deeper insights into God ourselves and others God's story is happening We are right in the middle of a page turner and God is in it with us Start seeing your life as a part of God's story and make some great adventures happen right now [God'S Stories for Life](#) Mickey Frame, 2017-04-05 From adultery to wisdom and important topics in between Gods Stories for Life by author Mickey Frame offers a collection of narratives to help Christians deal with and overcome the problems both big and small that they face in

Steffen,2006-12-31 To help readers recapture the most natural universal and effective means of evangelism discipleship that exists storytelling     **Radiant Beams** Susan Williams,2016-03-29 The third verse of Silent Night describes God s interaction with us as being like radiant beams from Thy holy face He s constantly giving us amazing little touches that make a big difference in our lives I call those radiant beams and put them into story form Hope you like When the solution to a problem drops out of nowhere when you hear a still small voice speaking to your heart when a coincidence leaves you laughing and shaking your head that s God Let s celebrate the joy of living blessed by the sweetness and love of the Light of the World Susan Darst Williams Mount Laundry Nebraska     **A Legacy of Faith** Sam Elliott,2021-04-12 God is real alive and very active in the lives of people all across the Earth today He has invited us to come boldly into His presence to make our needs and petitions known to Him He is able to make a way where there is no way today as much as ever My wife Angie and I have always believed that and determined from the beginning of our marriage that we would look to God first in every situation we faced Our desire was to experience God stories so our lives would glorify Him and be a living testimony of His greatness in a world that attempts to undermine faith in God This book chronicles the most obvious and amazing answers to prayer in our lives so far Of course we know that there are many more stories that are equally important but more mundane and ordinary He has healed us to the amazement of the doctors involved He has worked miracles of provision in our lives He has protected us and guided our steps He has been the Great Shepherd in our lives Our hope is that this book will inspire you to carry all your needs to Him in prayer and live in expectation of His divine activity in your life He wants to make your life a living testimony as well We hope you will be inspired to recognize the God stories in your own life and build a legacy of faith that is passed on to your children and grandchildren 36
