The Korean War Paul M. Edwards,2006-09-30 An overview of the Korean War

This Kind of War T. R. Fehrenbach,2014-04-01 The book that former Defense Secretary James Mattis recommends as America faces the threat of conflict with North Korea In a recent story Newsweek reported Amid increasingly deteriorating relations between the U S and North Korea as President Donald Trump and Kim Jong Un exchange barbs and the threat of a nuclear conflict looms Mattis responded to a question on how best to avoid such a war An audience member asked What can the U S military do to lessen the likelihood of conflict on the Korean Peninsula Mattis responded with a direction to read This Kind of War stating There s a reason I recommend T R Fehrenbach s book that we all pull it out and read it one more time This Kind of War is perhaps the best book ever written on the Korean War John McCain The Wall Street Journal the most comprehensive single volume history of the conflict that began in 1950 and is still affecting US foreign policy Fifty years later not only does this enlightening account give details of the tactics infantrymen and equipment it also chronicles the story of military and political unpreparedness that led to a profligate loss of American lives in Korea T R Fehrenbach an officer in the conflict provides us with accounts of the combat situation that could only have been written by an eyewitness in the thick of the action But what truly sets this book apart from other military memoirs is the piercing analysis of the global political maneuverings behind the brutal ground warfare that marked this bloody period of history one that has been all but forgotten by many but has become crucially important again A 54 year old history of the Korean War that s much better known in military than civilian quarters Interspersed with this high level narrative are gritty close grained accounts of the grim ordeals heroic sacrifices and sometimes tragic blunders of individual soldiers from privates to generals Politico

Timothy Warnock,2000 In commemoration of the fiftieth anniversary of the Korean War the U S Air Force USAF Historian commissioned the Research Division Air Force Historical Research Agency AFHRA Maxwell Air Force Base Alabama to compile this chronology of significant events of USAF military operations in the Korean theater The chronology points out the relationship of these operations to the land battle naval operations and important political and diplomatic events It also identifies such USAF

historical firsts as the first all jet air battle the introduction of new weapons systems and the initiation of tactics techniques or procedures that had a major impact on later air operations The chronology also identifies important people including key commanders recipients of the Medal of Honor and aces Finally it attempts to summarize those USAF events in Korea that best illustrate the air war and the application of air power in the theater Page iii [The Origins of the South African War, 1899-1902](#) Iain R.
