The Last Things:

The Last Things George E. Ladd, 2004-01-09 In recent years scriptural prophecies about the end times have become the subject of an increasing number of books. Many of these however are popularized accounts containing little thoughtful biblical scholarship. Yet the serious studies available are often too difficult for the average reader to understand. George Eldon Ladd has endeavored to rectify this situation with a serious discussion of eschatology written for the layperson. Two radically different interpretations of the relationship between the prophecies of the Old and New Testaments have been offered. One view sees separate programs for Israel and the Christian church while the other recognizes progressive revelation and a unity of the Testaments. Professor Ladd holds the latter position basing his doctrine of the last things on the conviction that our final word is to be found in New Testament reinterpretation of Old Testament prophecy. Only as the prophecies are seen in the light of God's revelation through Christ can we clearly comprehend what they mean in relation to the end times.

The Last Things Paul Helm, 1989-01-01 Concern for the present life has overpowered that for the life to come writes Paul Helm in the introduction to this timely study of the four last things: death, judgment, heaven, and hell.

Jesus and the Last Things Dennis J. Billy, 2019-05-20 This book focuses on Jesus, the four last things, and their relevance for our lives. He has much to teach us about these things. Jesus faced death with courage and was raised to new life by the power of his heavenly Father. He descended into hell and reached out to those who had alienated themselves from God. He promised to return at the consummation of time to judge the living and the dead and to establish the fullness of his kingdom. He lives forever in the house of his Father, hoping to draw all people to himself and make all things new. The book reminds us that for Jesus, the four last things are just a prelude to the first things. He is the Alpha and Omega, the beginning and the end. He teaches us to put last things first and first things last.

The Last Things Regis Martin, 2014-01-13 The Last Things is an accessible and deeply profound look at those four most important things: Death, Judgment, Hell, and Heaven. Professor Regis Martin expertly guides the reader through the eschatology with the aid of popes, theologians, and even literary greats. The Last Things is at once entertaining and enlightening and a must-read in preparation for the inevitable final days. Try to imagine the one thing in this world that is most worth knowing by everyone. The thing that is most worth having. Something the sheer longing for which could never be dismissed merely as a function of time or space, tribe, or temperament. Is there a sentient being around who has not felt it, wondered about it, made some effort to obtain it? Could it have something to do with the final outcome of our lives? Or the lives of those whom we love, lives no longer with us but lost whom we long once more to see to be with? What does Christianity offer us in this regard? Has the Church anything distinctive to say about it? And if so, can it assuage this most deep and persisting of human hungers? The answers to these questions, and a clutch of others besides, are to be found in the Church's doctrine of the Last Things. Excerpt pg 7

Four Last Things Fr. Wade Menezes, 2017 Few things in this earthly life are absolutely certain, but the most undebatable of these is death. Every person, even the atheist, will

admit that death is certain Death however is not the last event in this life of ours Immediately after death we shall be judged and then again on the Day of Judgment when all humanity will know us for what we are Too often the reality of Heaven and salvation are highlighted at the expense of the Church s teachings on Death Judgment Purgatory and Hell Yet these important doctrines of the Church hold the truths of salvation truths that can lead us to Heaven or can pull us away from it In these pages Fr Wade Menezes EWTN television host and Assistant General of the Fathers of Mercy shows us that God has not called us to His wrath but to salvation He shows us that Heaven and Hell salvation and damnation eternal life and eternal punishment are all complementary doctrines They need each other to be complete and we must understand the Church s teachings on all of these doctrines in order to have a balanced view of the world Death Judgment Heaven and Hell these are the Four Last Things toward which we are moving each hour of the day and night Read this book and you ll have a firm grasp of one of the most important doctrines of Holy Mother Church that holds the truths of Heaven and our own salvation **The**
