The Election Of 1800:

The Election of 1800 and the Election of 1876 Charles River Charles River Editors,2018-02-09 Includes pictures Includes contemporary descriptions of the campaigns elections and results Includes online resources and a bibliography for further reading Includes a table of contents In 1800 Thomas Jefferson beat sitting President John Adams albeit narrowly and denied Adams the second term he coveted Adams escaped to Massachusetts and left a curt note about the state of the White House stables behind No congratulations were exchanged and the two men did not speak to one another for over a decade afterwards Jefferson s election to the Presidency also left an important electoral legacy By 1800 the Alien and Sedition Acts had made Adams an unpopular President especially in the South Without formal parties to effectively nominate candidates in a President Vice President ticket the Democratic Republicans had two nominees Thomas Jefferson and New York s Aaron Burr who had been tabbed to serve as Jefferson s Vice President Once the Electoral College cast its ballots Jefferson and Burr had the same number of electoral votes with 73 while Adams came in third with 65 This was however a mix up The Democratic Republican electors were supposed to have one elector abstain from voting for Burr which would make Jefferson President and Burr Vice President In the 1800 election states selected their electors from April until October The last state to select its electors South Carolina selected Democratic Republicans but neglected to have one voter abstain The final vote was thus a tie As the Constitution prescribed the election was determined in the House of Representatives This proved problematic as well The Federalists controlled the House that decided who would be President With Jefferson as their arch nemesis they were hardly happy to support him and many initially voted for Burr The first 35 ballots were always a tie between Burr and Jefferson Not until mid February of 1801 when Alexander Hamilton another of Jefferson s nemeses came out to endorse the Vice President did Jefferson come out ahead Hamilton s disdain for Burr was so strong that he virtually handed the presidency to Jefferson who had been his ideological opponent for the better part of a decade Hamilton s decision created personal animus between Hamilton and Burr that stewed for years and famously culminated with the duel that ended Hamilton s life in 1804 Many assumed that President Ulysses S Grant the popular Civil War general who was still a relatively young man at the end of his second term in office would surely run for a third but many Americans knew nothing of the scandals and corruption that had surrounded Grant s administration and he wanted to keep it that way All of this set the stage for one of the strangest interludes in American history As the nation s two major parties each put forth a large slate of candidates for nomination in 1876 two candidates had to come to the fore and each party selected both a presidential and vice presidential candidate These four men ran a bitterly contested race just to reach the general election and that general election became the most controversial in American history By the time results rolled in Democrat Samuel Tilden had won the popular vote and was up by 19 electoral votes but 20 electoral votes were disputed and despite claims of fraud the two sides eventually forged the Compromise of 1877 which gave the presidency to the Republican Rutherford B Hayes in

exchange for the removal of federal troops from the South The Compromise effectively ended the Reconstruction era and while it helped bring about the sectional reconciliation of the country it also allowed the Solid South to emerge which included the implementation of Jim Crow across the region In effect the election ensured another major battle over the civil rights of minorities would ensue decades later [The Election of 1800](#) Mark Beyer,2003-08-15 Considers the fourth presidential election ever held in the United States when the House of Representatives had to break a tie between Thomas Jefferson and Aaron Burr as well as the impact of Jefferson s win *The Election of 1800* Charles River Charles River Editors,2018-02-09 Includes pictures Includes contemporary accounts of the election Includes online resources and a bibliography for further reading Includes a table of contents The voters must have been happy after the election was over For months they had endured vicious attacks made by members of two warring parties against each other as time and time again issues were ignored in favor of personal attacks One party was seen as caring more about the interests of the wealthy and supporting bankers and businesses The other party was supposed to favor the working man the farmer and small businessman trying to eke out a living The first party was said to be in the back pocket of America s most recent enemy while the other party was much to devoted to the nation s first even though many of its policies had changed since their first alliances ended Then there were the candidates One was the incumbent a staid fellow of middle class origins who was known to ruthlessly weed out his enemies Another candidate had no Federal experience and very little political experience at the state level Having been born into a wealthy politically active family he vocally supported a strong military and insisted that American must stand strong against anyone who rattle a saber in her direction The third candidate was popular and good looking with extensive political experience at the state and federal level Highly intelligent and well educated he was rumored to have loose morals and at least two mistresses The final candidate was a hot head known to shoot off his mouth at the least provocation So wild were some of his ideas that even some of the members of his own party shunned him Though people characterize politics as nasty today this election took place more than 200 years ago during a time when America was supposedly a kinder and more gracious place While that may be true of the common people and even of some politicians it was certainly never true of this group Indeed while George Washington is still remembered for his almost apolitical approach to governing the nation the men who succeeded him some of them his friends were anything but apolitical John Adams had been his Vice President and succeeded him in office but he was sensitive to every slight and difficult to get along with Charles Pinckney had fought nobly under Washington s command during the Revolutionary War but that did not mean that he would hesitate in spreading vicious rumors about another candidate Thomas Jefferson who hailed from Washington s home state and shared his love of farming Finally Aaron Burr would become so upset about the outcome of the election that he would eventually kill Washington s strong political ally Alexander Hamilton in a duel over slights he felt had been dealt him As the Constitution prescribed the election was determined in the House of Representatives when a mix up led to

Jefferson and Burr receiving the same number of electoral votes This proved problematic as well The Federalists controlled the House that decided who would be President With Jefferson as their arch nemesis they were hardly happy to support him and many initially voted for Burr The first 35 ballots were always a tie between Burr and Jefferson Not until mid February of 1801 when Alexander Hamilton another of Jefferson's nemeses came out to endorse the Vice President did Jefferson come out ahead Hamilton's disdain for Burr was so strong that he virtually handed the presidency to Jefferson who had been his ideological opponent for the better part of a decade Hamilton's decision created personal animus between Hamilton and Burr that stewed for years and famously culminated with the duel that ended Hamilton's life in 1804

The Election of 1800 The History and Legacy of America's Most Controversial Presidential Election chronicles one of the most bitter contests in American history *The Deadlocked Election of 1800* James Roger Sharp, 2010-09-23 It was one of the most critical elections of American history overshadowed only by the one that plunged the country into civil war The deadlocked election of 1800 has earned considerable attention and debate from historians now James Roger Sharp reveals that modern observers didn't necessarily get it right Only a decade old the Constitution gave the federal government more powers than had the Articles of Confederation causing many citizens to fear the erosion of states rights Meanwhile war between France and Great Britain exacerbated the schism between Republicans and Federalists each faction taking sides and questioning the other's loyalty With Thomas Jefferson challenging incumbent John Adams for the presidency a tied Electoral College vote threw the election into the House of Representatives amid rumors of violence civil war and secession Richer in contemporary detail and context than previous studies Sharp's book offers modern readers a better understanding of exactly what was at stake Some say that this election was a mighty democratic uprising Sharp argues that such interpretations are misleading Others contend that eighteenth century politics were no different than ours today Sharp reveals just how distinctive they actually were Avoiding the common mistake of imposing modern concepts onto the past he instead puts himself in the place of citizens from 1800 to see events through their eyes From that perspective Sharp argues that Americans envisioned many possible outcomes to the crisis and that a peaceful solution was far from inevitable Sharp offers a vivid account of protagonists and events He tells how military conflict became a real possibility during the deadlock and explains what Jefferson meant when he characterized his election as the Revolution of 1800 He unravels the nature of political polarization and its relationship to the development of parties And throughout he emphasizes that the participants themselves greatly feared what the future would bring Engagingly written and uncommonly insightful Sharp's chronicle reveals the complex interplay between the main actors and the historical context in which they operated His book sheds new light on this crucial contest and shows like no other work that the success of the fragile new government under the Constitution was tentative at best

Jefferson's Second Revolution Susan Dunn, 2004-09-09 An excellent history of the tumultuous early years of American government and a constitutional crisis sparked by the Electoral College Booklist In the election of 1800 Federalist

incumbent John Adams and the elitism he represented faced Republican Thomas Jefferson Jefferson defeated Adams but through a quirk in Electoral College balloting tied with his own running mate Aaron Burr A constitutional crisis ensued Congress was supposed to resolve the tie but would the Federalists hand over power peacefully to their political enemies to Jefferson and his Republicans For weeks on end nothing was certain The Federalists delayed and plotted while Republicans threatened to take up arms In a way no previous historian has done Susan Dunn illuminates this watershed moment in American history She captures its great drama gives us fresh finely drawn portraits of the founding fathers and brilliantly parses the enduring significance of the crisis The year 1800 marked the end of Federalist elitism pointed the way to peaceful power shifts cleared a place for states rights in the political landscape and set the stage for the Civil War Dunn a scholar of eighteenth century American history has provided a valuable reminder of an election in which the stakes were truly enormous and the political vituperation was far more poisonous than the relatively moderate attacks heard today An excellent work that effectively explains this critical contest that shaped the history of the new republic Booklist Dunn does a superb job of recounting the campaign its cast of characters and the election s bizarre conclusion in Congress That tense standoff could have plunged the country into a disastrous armed conflict Dunn explains but instead cemented the legitimacy of peaceful if not smooth transfers of power Publishers Weekly Dunn simultaneously teaches and enthralls with her eloquent five sensed descriptions of the people and places that shaped our democracy Entertainment Weekly

The Revolution of 1800 James J. Horn, Jan Ellen Lewis, Peter S. Onuf, 2002-12-29 George W Bush and Al Gore were by no means the first presidential hopefuls to find themselves embroiled in a hotly contested electoral impasse Two hundred years earlier Thomas Jefferson and John Adams endured arguably the most controversial and consequential election in American history Focusing on the wide range of possible outcomes of the 1800 1801 melee this collection of essays situates the American Revolution of 1800 in a broad context of geo political and racial developments in the Atlantic world as a whole In essays written expressly for this volume leading historians of the period examine the electoral social and political outcome of Jefferson s election in discussions strikingly relevant in the aftermath of the 2000 election Contributors Joyce Appleby University of California Los Angeles Michael Bellesiles Emory University Jeanne Boydston University of Wisconsin Seth Cotlar Willamette University Gregory Evans Dowd University of Notre Dame Laurent Dubois Michigan State University Douglas R Egerton Le Moyne College Syracuse Joanne Freeman Yale University James E Lewis Jr independent scholar Robert M S McDonald United States Military Academy West Point James Oakes City University of New York Graduate Center Jeffrey Pasley University of Missouri Columbia Jack N Rakove Stanford University Bethel Saler Haverford College James Sidbury University of Texas Alan Taylor University of California Davis

Team Time Machine Picks a President in the Election of 1800 Elizabeth Krajnik, 2020-07-15 In the early days of the United States people voted for the president and vice president on the same ballot In the presidential election of 1800 Thomas Jefferson and Aaron Burr received the same number of electoral votes In this

fictional blast to the past Gaby Zoe and Will witness the tie breaking decision that led to the election of the nation's third president Readers learn more about America's early political beginnings with humor and intrigue while historical images and fact boxes provide them with the information they need to understand how the election process in the United States has changed since 1800

Adams vs. Jefferson John Ferling, 2004-09-03 It was a contest of titans John Adams and Thomas Jefferson two heroes of the Revolutionary era once intimate friends now icy antagonists locked in a fierce battle for the future of the United States The election of 1800 was a thunderous clash of a campaign that climaxed in a deadlock in the Electoral College and led to a crisis in which the young republic teetered on the edge of collapse Adams vs Jefferson is the gripping account of a turning point in American history a dramatic struggle between two parties with profoundly different visions of how the nation should be governed The Federalists led by Adams were conservatives who favored a strong central government The Republicans led by Jefferson were more egalitarian and believed that the Federalists had betrayed the Revolution of 1776 and were backsliding toward monarchy The campaign itself was a barroom brawl every bit as ruthless as any modern contest with mud slinging scare tactics and backstabbing The low point came when Alexander Hamilton printed a devastating attack on Adams the head of his own party in fifty four pages of unremitting vilification The stalemate in the Electoral College dragged on through dozens of ballots Tensions ran so high that the Republicans threatened civil war if the Federalists denied Jefferson the presidency Finally a secret deal that changed a single vote gave Jefferson the White House A devastated Adams left Washington before dawn on Inauguration Day too embittered even to shake his rival's hand With magisterial command Ferling brings to life both the outsize personalities and the hotly contested political questions at stake He shows not just why this moment was a milestone in U S history but how strongly the issues and the passions of 1800 resonate with our own time

The "revolution of 1800" Andrew Whitmore Robertson, 2012 Examines Thomas Jefferson's election in 1800 as the opening event in the American democratic revolution

A Magnificent Catastrophe Edward J. Larson, 2007 The 1800 presidential election the last great contest of the founding period was so convulsive and so momentous for American democracy that Jefferson would later dub it America's second revolution America's first true presidential campaign gave birth to our two party system and etched the lines of partisanship that have shaped American politics ever since The contest featured two of our most beloved Founding Fathers once warm friends facing off as the heads of their two still forming parties the hot tempered but sharp minded John Adams and the eloquent yet enigmatic Thomas Jefferson Blistering accusations flew Adams and his elitist Federalists would squelch liberty and impose a British style monarchy Jefferson and his radically democratizing Republicans would throw the country into chaos and debase the role of religion in American life Historian Larson vividly re creates the tension as Congress was forced to meet in closed session to resolve the outcome From publisher description

Adams Vs. Jefferson John E. Ferling, 2004 A history of the presidential campaign follows the clash between the two candidates Adams and Jefferson and their different visions of the future of

America the machinations that led to Jefferson's victory and the repercussions of the campaign *The Election of 1800 and the Administration of Thomas Jefferson* Arthur Meier Schlesinger (Jr.), Fred L. Israel, David J. Frent, 2003 Discusses the presidential election of 1800 and the subsequent administration of Thomas Jefferson *The Oxford Handbook of Revolutionary Elections in the Americas, 1800-1910* Eduardo Posada-Carbó, Andrew W. Robertson, 2026 The Oxford Handbook of Revolutionary Elections in the Americas 1800-1910 presents a unique comparative political history spanning from Jefferson's election to the campaign that led to the Mexican revolution of 1910 By focusing on revolutionary elections those of a contested contentious nature that bore highly consequential outcomes this volume sheds light on how institutions were inaugurated or transformed how substantial issues were settled and how political behaviour was changed After offering overviews of the electoral history of the United States Latin America and Canada the Handbook examines key elections in Argentina Brazil Canada Chile Colombia Costa Rica Cuba Mexico Per the US and Venezuela Case studies of individual countries then serve as the basis for wider continental analysis of electoral violence electoral corruption and electoral administration before concluding with some reflections on the need to approach the political history of the Americas from a comparative perspective This wide lens makes this volume a novel contribution to the study of elections and an indispensable resource for anyone seeking to understand electoral politics and democracy in broader context [Encyclopedia of the United States Congress](#) Robert E. Dewhirst, John David Rausch, 2014-05-14 Presents an A to Z reference guide to individuals events and terms of importance to the United States Congress [Term Paper Resource Guide to Nineteenth-Century U.S. History](#) Kathleen W. Craver, 2008-06-30 Major help for those inevitable American History term paper projects has arrived to enrich and stimulate students in challenging and enjoyable ways Students from high school age to undergraduate will be able to get a jumpstart on assignments with the hundreds of term paper projects and research information offered here in an easy to use format Users can quickly choose from the 100 important events of the nineteenth century carefully selected to be appealing to students and delve right in Each event entry begins with a brief summary to pique interest and then offers original and thought provoking term paper ideas in both standard and alternative formats that incorporate the latest in electronic media such as iPod and iMovie The best in primary and secondary sources for further research are then annotated followed by vetted stable Web site suggestions and multimedia resources for further viewing and listening Librarians and faculty will want to use this as well Students dread term papers but with this book the research experience is transformed and elevated Term Paper Resource Guide to Nineteenth Century U S History is a superb source to motivate and educate students who have a wide range of interests and talents The provided topics on events people inventions cultural contributions wars and technological advances reflect the country's nineteenth century character and experience Some examples of the topics are Barbary Pirate Wars the Thomas Jefferson and Sally Hemings liaison Tecumseh and the Prophet the Santa Fe Trail Immigration in the 1840s the Seneca Falls Convention the Purchase of Alaska Boss Tweed's Ring Wyatt

Earp and the Gunfight at O K Corral United States v Wong Kim Ark and Scott Joplin and Ragtime Music President Election Of 1800 Angelic Breining,2021-04-25 This book is an easy read not too expensive and a must read for anyone who thought the politics of personal destruction was something that sprang up in the 21st century Thomas Jefferson might still be the reigning champion if only he had today s social media tools at his disposal This book will discuss the election and deal too much with the enmity between Hamilton and Burr leading to the infamous duel This is one of the most Controversial Presidential Election in American history **Student's Guide to Elections** CQ Press,2008-06-03 The first elections reference specifically created to support students and teachers in U S government course Student s Guide to Elections is an informative and engaging reference tool for young researchers seeking information on voting the electoral process and the history of U S elections It offers accessible access to the key topics in high school U S government and U S history curricula A comprehensive single volume resource it features essays encyclopedic entries and primary source documents to help students understand the history and significance of the U S electoral process The user friendly design includes boxed features time lines photos maps charts tables and political cartoons Student s Guide to Elections is the first title in a brand new Student s Guide series from CQ Press Uniquely the Student s Guide series of books is written so that students need no prior knowledge to understand the essays encyclopedia entries or primary sources in these resources With the 2008 presidential election looming in November this volume will prove to be an indispensable resource for high school and public libraries and a teaching resource for courses on U S government and political system America Afire Bernard A. Weisberger,2000-09-19 Bernard Weisberger has once again brought the past to life If you want to experience the crossfire of intellectual and political ferment at the dawn of our Republic open these pages and start ducking Bill Moyers America Afire is the powerful story of the election of 1800 arguably the most important election in America s history and certainly one of the most hotly disputed American self government was still an endangered experiment seventeen years after the War of Independence had been won As 1800 dawned the sacrifices and fraternity of the spirit of 76 had vanished replaced by bitter and angry rivalries Former allies Adams and Jefferson president and vice president now Federalist versus Republican squared off in a vicious contest to win the fourth presidential election under the Constitution The Constitution was still new and untried The young republic lacked a cohesive national identity the strength to confront aggressive foreign powers in a world racked by war and revolution and a stable system for working out political differences electorally Political parties were new unforeseen and unwelcome creations Small wonder that no one was prepared for the partisan warfare that threatened to rage out of control Or for the broken friendships scandals riots slanders beatings and jailings elements of a crucial and perilous election that sparked a constitutional crisis and threats of civil war Ultimately the surprise is not that problems arose but that the United States emerged from them a stronger nation For when Adams stepped down from the presidency peacefully in 1801 it was the first time in modern history that a leader had voluntarily turned over power to his political

enemy This was truly a revolution and a triumph for democracy made in America Scrupulously researched and eminently readable *America Afire* tells the tale of a watershed event in American history and lends a valuable new perspective on the early years of the United States as well as the genesis and nature of our political system **America at the Ballot Box**
Gareth Davies, Julian E. Zelizer, 2015-09-14 A chronological collection of essays *America at the Ballot Box* uses the history of presidential elections to illuminate both the fundamental character of American political democracy and its evolution from the early Republic to the late twentieth century *The Making of the Nation, 1783-1817* Francis Amasa Walker, 1897

Decoding **The Election Of 1800**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. The Election Of 1800 Introduction

In today's digital age, the availability of The Election Of 1800 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Election Of 1800 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Election Of 1800 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Election Of 1800 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Election Of 1800 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Election Of 1800 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Election Of 1800 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Election Of 1800 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Election Of 1800 books and manuals for download and embark on your journey of knowledge?

FAQs About The Election Of 1800 Books

1. Where can I buy The Election Of 1800 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Election Of 1800 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
