

The Endless Party

Harold Edward Gorst

The Endless Party:

The Endless Party. [With Illustrations.] Étienne DELESSERT (Illustrator and SCHMID (Eleonore)),1967

Remaking the Democratic Party Hanes Walton,Pearl K. Ford Dowe,Josephine Allen,Brandon Walton,2016-08-09 A continuation of Hanes Walton Jr s work on Southern Democratic presidents Remaking the Democratic Party analyzes the congressional and presidential elections of Lyndon Baines Johnson This study builds upon the general theory of the native son phenomenon to demonstrate that a Southern native son can win the presidency without the localism evident in the elections of Bill Clinton and Jimmy Carter Although ridiculed by contemporaries for his apparent lack of control over formal party politics and the national committee Johnson excelled at leading the Democratic Party s policy agenda While a senator and as president Johnson advocated for and secured liberal social welfare and civil rights legislation forcing the party to break with its Southern tradition of elitism conservatism and white supremacy In a way Johnson set the terms for the continuing partisan battle because by countering the Democrats new ideology the Republican Party also underwent a transformation The Fourth Party Harold Edward Gorst,1906 *The Round Table* ,1927 **A New History of Great Britain: From the accession of James I to the Congress of Vienna** Robert Balmain Mowat,1921 **The Nineteenth Century and After** ,1901 **Life, Liberty, and the Pursuit of Happiness** Charles R. Kesler,John B. Kienker,2012-03-08 Over the past 10 years the Claremont Review of Books has become one of the preeminent conservative magazines in the United States offering bold arguments for a reinvigorated conservatism that draws upon the timeless principles of the American Founding and applies them to the moral and political problems we face today With essays by the likes of William F Buckley Jr Christopher Hitchens Richard Brookheiser James Q Wilson Allen C Guelzo Victor Davis Hanson Ross Douthat and many others this collection surveys the range of issues addressed in the Claremont Review of Books first decade from the conservative critique of American progressivism to foreign policy politics history and culture Liberally illustrated with art director Elliot Banfield s popular cartoons *Life Liberty and the Pursuit of Happiness* provides the magazine s many devotees with a treasured keepsake of a tumultuous decade and will be of interest to all those who care about American politics and culture Among the contributors are Hadley Arkes Martha Bayles the late William F Buckley Jr Paul Cantor James Ceaser Joseph Epstein Christopher Flannery Harvey Mansfield Wilfred McClay Cheryl Miller the late Jaroslav Pelikan Joseph Tartakovsky Michael Uhlmann Algis Valiunas William Voegeli and the late James Q Wilson **The Elevator Constructor** ,1903 **The Last Party** Cassidy Lucas,2022-04-26 Some guests were not invited The authors of Santa Monica once again illuminate the dark truths of life in sunny California in this twisty and atmospheric psychological thriller about a 50th birthday celebration on a remote mountainside in Topanga Canyon where things go terrifyingly wrong For Los Angeleno Dani Sanders turning 50 seems like one more disappointment Her career has stalled her nineteen year old daughter with developmental issues is regressing and Dani s ex husband Craig a fertility doctor worshipped by Hollywood s elite is forever

upending her life Though she doesn't feel much like celebrating she can't say no when her best friend Mia Markle a flamboyant and strong-willed actress insists on planning a creative birthday weekend in the wild wealthy bohemian enclave of Topanga Canyon On the weekend of the Summer Solstice Dani and her six closest friends gather in the hills above the canyon at Celestial Ranch 18 acres of rugged wooded mountainside where they'll spend three glorious days hiking practicing meditation and reiki and enjoying lavish catered cuisine They will also indulge in a little DMT a short acting psychedelic drug meant to open their senses and transport them to a higher plain But as the weekend unfolds long buried tensions unresolved grievances and old secrets emerge leaving Dani desperate for clarity about her life Dani and her friends take the drug late at night on an open hillside beneath the glittering stars When Dani returns from her intense and revelatory trip she learns that one of her friends has gone missing Then another disappears And soon Dani finds herself alone on the dark mountainside seemingly abandoned by the people who are supposed to love her most Or have they somehow been taken from her What could Dani have possibly done to deserve a devastating birthday night like this and how will she make it to the morning alone
