*The Language of Grace* Arnel C. Tan, In *The Language of Grace* best selling author Arnel C Tan shares his thoughts on one of the subjects closest to his heart Prayer For Pastor Arnel prayer is more than just a few words of thanks said before meals the long winded proclamations from the pulpit or the dry murmurs of tradition Prayer can be an adventure a journey that takes us beyond our comfort zones and into the very presence of our Heavenly Father

**Finding the Language of Grace** Christopher Jamison, 2022-09-15 Well known for his appearances on TV and radio as well as for his books *Finding Sanctuary* and *Finding Happiness* Christopher Jamison once again shows his ability to communicate spiritual insights in an accessible way *Finding the Language of Grace* Rediscovering Transcendence focuses on the transcendent experiences of grace that we struggle to talk about in today s very business like culture Abbot Christopher shows how the ways we listen and speak read and write can all be channels of grace This is illustrated through books as diverse as the medieval legend of the Holy Grail *Silence* by Japanese writer Shusaku Endo the writings of Spanish mystics and the novels of Pulitzer Prize winner Marilynne Robinson The power and the pain of grace resonate throughout the book offering a new perspective on healing the loneliness and mistrust experienced by many as well as on the turbulence and political extremes of today s world How do we restore trust How can we listen well What is the right way to read the signs of the times And how can we revitalise the language of grace in our day

**The Language of Grace** Peter S. Hawkins, 2004-09-01 Hawkins explores both traditional and contemporary ways grace has been handled in literature The traditional representation of grace is explained using among other things the parables of Jesus Then he turns to more contemporary literature including O Connor s *A Good Man is Hard to Find* Percy s *The Second Coming* and Murdoch s *A Word Child* Through these novels and short stories Hawkins highlights the impoverishment of spirit and imagination when religious language fails us He presents three writers struggling to bridge the gap between ourselves and those mysterious realities we can no longer talk about

*Paul's Language of Grace in its Graeco-Roman Context* James R. Harrison, 2017-01-03 *Paul s Language of Grace in Its Graeco Roman Context* was originally published by Mohr Siebeck in 2003 and is now reprinted by Wipf and Stock with a new introduction by its author James R Harrison The book was the first major investigation of charis grace favor in its social political and religious context since G P Wetter s pioneering 1913

monograph on the topic Focusing on the evidence of the inscriptions papyri philosophers and Greek Jewish literature Harrison examined the operations of the eastern Mediterranean benefaction system probing the dynamic of reciprocity between the beneficiary and benefactor whether human or divine Before Paul's converts were first exposed to the gospel they would have held a variety of beliefs regarding the beneficence of the gods The apostle therefore needed to tailor his language of grace as much to the theological and social concerns of the Mediterranean city states in his missionary outreach as to the variegated traditions of first century Judaism In terms of human grace although Paul endorses the reciprocity system he redefines its rationale in light of the gospel of grace and transforms its social expression in his house churches The explosion of grace language that occurs in 2 Corinthians 8 9 regarding the Jerusalem collection is unusual in its frequency in comparison to the honorific inscriptions underscoring the apostle's distinctive approach to giving Regarding divine beneficence Paul accommodates his gospel to contemporary benefaction idiom But he retains a distinctiveness of viewpoint regarding divine charis it is non cultic it is mediated through a dishonored and impoverished Benefactor it overturns the do ut des expectation I give so that you may give regarding divine blessing in antiquity Harrison's book still remains the authoritative coverage of the Graeco Roman context of charis
