Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about  
Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the  
forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be  
exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed  
Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine  
details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and  
social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway  
Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in
