

The Oni

William Elliot Griffis

The Oni:

The Oni's Concubine Shadowlyn Drake, A Fated Sacrifice A Terrifying Captor A Forbidden Devotion In a world where myth is a harsh reality Kiki No Mono is chosen as the yearly tribute a sacrifice to the fearsome Oni a demon lord whose name is whispered in fear and reverence Dressed in ceremonial silks she is offered to the monstrous creature her life a desperate bargain to save her village She expects a swift and brutal end but what she finds is a fate far more complicated and far more seductive Rai Aydan the Oni lord is a being of dark terrible beauty a mountain of muscle and sin with crimson tattoos that tell tales of ancient power He is not the crude beast of legend but a creature of lethal elegance and profound possessiveness He doesn't take her life He claims it Trapped in a fortress of shadows and opulence Kiki No Mono must navigate a world of shifting alliances and dangerous desires As the Oni's concubine she is a prize to be protected but she refuses to be a pawn She will master his world learn his language and become a weapon at his side A warrior forged in the flames of her captor's desire But in this forbidden court the line between captor and lover blurs She finds herself drawn to the very monster she was sent to appease a beast who promises to protect her with his life Their bond born of fear and possession blossoms into a fierce consuming passion that could either save her people or damn them all Dare to step into a world of ancient folklore and dark desires Will she become the queen who brings peace or will she be consumed by the darkness that now beats alongside her heart Perfect for readers who crave the heart pounding passion of forbidden love the rich atmosphere of Japanese mythology and the dark intrigue of a fantasy world

The Origins of FBI Counterintelligence Raymond J. Batvinis, 2007 Examines the United States efforts to create and project a strong counterintelligence capability both at home and abroad during the 1930s Several federal agencies governmental departments and military divisions vied for that role before it was eventually handed to the FBI The author a former FBI agent chronicles the evolution achievements and failure of that effort
