The Other Jesus:

The Other Jesus Lloyd John Ogilvie, 1986 The Other Jesus Todd Outcalt, 2014-09-05 We're familiar with the Jesus portrayed in the New Testament but many people are surprised to learn that a wealth of stories and traditions about Jesus have always existed alongside the usual Biblical sources. Judaism, Islam, and Buddhism among other religions have created their own tales about Jesus, sometimes out of necessary self-preservation and reaction to the claims of the church, but more often through thoughtful and artistic adaptation. The Other Jesus explores these varied traditions and offers a fresh exploration of Jesus, new perspectives that challenge long-accepted beliefs about his place in history and his impact on other religions.

The Other Jesus Greg Garrett, 2011-02-08 According to recent surveys, many Americans associate the label Christian with judgmental attitudes, hypocrisy, a fear of hell, and a commitment to right-wing politics. Author Greg Garrett suggests another way, arguing that a faith that focuses solely on personal morality and the afterlife misses much of the point of Jesus' message. This other way of following Christ is not concerned with an array of commandments or with holding the right beliefs. Rather, it is centered on loving each other and loving God, what Garrett calls love where the rubber meets the road, where faith meets the world. Personal and moving, the book relates Garrett's experiences growing up in and leaving a disapproving conservative church and then finding his way back into a different kind of Christian community, one that is communal, missional, just, and loving. Garrett draws on popular culture to illustrate his spiritual points, showing how authentic Christian truth can be found in unlikely places.

The Burro's Colt P. J. Day, 2023-05-26 The author P. J. Day and his two brothers and two sisters grew up in the magical valley of Tesuque, Tazookey, located about five miles north of Santa Fe, New Mexico. One of the family pets was a little gray burro they had named Pedro, who was less than a year old when he came to live with them. While reminiscing about that marvelous childhood on Christmas Day 2001, the first book, A Burro's Tale, was conceived. Some years after that, the story continued in Call of the Burro, and now the third book in the series, The Burro's Colt. The setting for The Burro's Colt continues to be the Tesuque Valley. Some of the original burros from A Burro's Tale and Call of the Burro remain on the ranch. Many of which have become too old to rent out for any serious work but continue to be loved and cared for by Raphael and his family. In this third book in the series, the burros are more in the background of the story rather than the story revolving around the burros' many adventures. A twist of fate places Pedro in the position of serving Jesus once again in his time of need. Jesus and the Holy Family have returned to Jerusalem after being gone for some eighteen years. The Burro's Colt places the reader in numerous situations throughout the book that the reader must determine what they themselves may have decided to do under the same circumstances. Especially if they were put in the kind of danger that taking the wrong side might have placed them in, within what has undoubtedly become the greatest story ever told.

The Other Jesus Robert Oleson Ballou, 1972 **Atonement for a Sinless Society** Alan Mann, 2016-06-30 Sin isn't relevant anymore. Alan Mann takes seriously this often-heard assertion and instead goes in search of the real plight at

the heart of contemporary western society What he finds there is a personal pervasive and self diminishing disease impacting the lives of millions of people shame With this insight Atonement for a Sinless Society seeks a fresh encounter with the biblical narrative building a more meaningful understanding of the story of Jesus and his disciples for the world in which we live and in doing so bringing the Christian understanding of atonement into the twenty first century

The Good News of the Return of the King Michael T. Jahosky,2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s The Lord of the Rings as well as The Hobbit and The Silmarillion In this book I propose that J R R Tolkien s The Lord of the Rings is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables The Lord of the Rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many

Unlocking the Puzzle David Oliver Smith,2016-11-22 A shorter simpler first draft of the Gospel of Mark has been theorized by New Testament scholars for almost two hundred years Using literary tools David Oliver Smith strips away interpolation and redaction from the canonical Gospel to reveal that long sought first draft the Original Gospel of Mark Original Mark shorter

than the canonical version and with several large blocks of text replaced in their original locations reveals a coherent structure and a different picture of who Jesus is But it is anything other than simple The Original Gospel also presents puzzles for the curious reader of Mark to solve and Smith has found the keys to their solution Analysis of the text that was interpolated into Mark reveals who that redactor might have been Evidence is presented that it was the author of the Gospel of Luke who redacted the first written Gospel jumbled its structure and changed its Christology Follow the analysis of literary structures created by the genius who wrote Mark s Gospel and discover the astounding design of the Original Gospel of Mark
