Thessalonians Exposition:

The Letters to the Thessalonians Gene L. Green,2002-07-01 In this commentary Gene Green reads Paul's two letters to the Thessalonians in light of the canon of Scripture and of new knowledge about the first century world of Thessalonica This fruitful approach helps illuminate the impact of the gospel on its original readers and in turn shows how potent a force it can be for the church and society today The book begins with an in depth study of the Thessalonians themselves their history land socioeconomic conditions and religious environment This fascinating discussion gives the necessary context for fully appreciating the circumstances surrounding the founding of the city's first church and the subsequent struggles of the Thessalonian believers to live out their Christian faith The main body of the book provides informed verse by verse commentary on 1 2 Thessalonians that extracts the fullest possible meaning from these important New Testament texts As Green's exposition shows the Thessalonian scriptures are especially valuable as letters of friendship and for showing Paul's pastoral concern for the many areas in which the Thessalonians needed guidance Some of Paul's purposes are to thank the new believers for their steadfastness amid suffering to encourage them in their trials to urge them not to neglect their daily work and no less important to teach them about the future of believers who die before Christ returns Indeed the matter of the last things and the second coming of Christ so permeates these texts that they are often called Paul's eschatological letters Filled with new information about ancient society this commentary will fast become a standard reference work for Bible study By carefully bridging the biblical and modern worlds Green shows with clarity and warmth the continuing relevance of 1 2 Thessalonians for contemporary readers

Walvoord, 2012-03-01 The Thessalonian epistles are probably best known for what they reveal about the last days But there is much more to these letters than just end times prophecy In this devotional commentary John F Walvoord one of evangelicalism's most prominent leaders and Mark Hitchcock a leading Bible prophecy expert guide you through the prophecy and exhort believers on practical matters such as moral purity disciplined living church relationships prayer and church discipline Walvoord's stalwart writing has been greatly expanded upon by Hitchcock with additional introductory and

background material charts and in depth explanations at key points Now also updated with the Bible content in the English Standard Version ESV this volume in the renewed Walvoord Commentary Series stands ready to reach a whole new generation with the spiritual insights the apostle Paul had for the Thessalonians *1 & 2 Thessalonians* Gareth L Reese, 2020-06-10 This is a phrase by phrase commentary and exposition of the New Testament books of 1 2 Thessalonians This commentary is in use as a college textbook yet is suitable for the lay church member 1 2 Thessalonians were written by Paul Silas Timothy to a new church whose members were still learning what it means to live out their newfound faith While working in Thessalonica the missionaries had spent much time encouraging and instructing the recent converts in the basics of the faith 1 Thessalonians 2:8-12 Since both epistles appear to have been penned within the 2 year span immediately after leaving Thessalonica it is not surprising to find the three writers continuing their efforts to strengthen the beliefs and practices of the new Christians In the face of criticism from enemies of the gospel the letters staunchly defend the gospel message and encourage the believers to remain faithful in the face of the warned about opposition For those Christians who had developed mistaken ideas about what happens to those who die prior to Christ's second coming the letters paint a vivid picture of the events preceding Jesus return and of the events that will happen as He returns And because there were certain areas of Christian living where many of the Thessalonians were missing the mark the epistles offer direct and clear instruction as to how Christians are to live in the present Being the first of the letters signed by Paul which have been preserved 1 2 Thessalonians give us an important window of insight on the gospel Paul preached from the beginning of his apostolic work including his understanding about the deity and Lordship of Jesus the expected timing of Christ's return and about how faith about the future works itself out in present day living This commentary is conservative evangelical Christian in its outlook yet skillfully examines the Scriptures from multiple theological viewpoints Introductory Studies cover authorship and attestation the place and date of writing the original purpose for writing an overview of several topics discussed by contemporary commentators and Biblical critics and an extended review of Paul's eschatology including his views regarding the timing of the Lord's second coming Of note four Special Studies address topics unique to 2 Thessalonians chapter 2 and which inextricably color the interpretation of that thorny chapter The Day of the Lord The Apostasia The Man of Lawlessness The Restrainer Since this commentary presumes the God inspired nature of all Biblical writing the author seeks to harmonize the teachings of 1 2 Thessalonians with other relevant Scriptures and also helpfully examines the original language in which the epistles were written A fully annotated bibliography of other commentaries on 1 2 Thessalonians is included to encourage readers to extend their own studies This commentary continues the author's series on the books of the New Testament and is written from the unique standpoint of the Restoration Movement a position which allows him to approach Scripture with no special theological doctrine or dogma to defend and explicate This approach provides an unhindered freedom to listen to what the Holy Spirit would tell us within the pages of the sacred Scriptures By

deliberately employing the time honored grammatico historical method of interpretation the Word of God is allowed to impress upon our minds the intent the Divine Author had in mind The author is Professor Emeritus of the New Testament at Central Christian College of the Bible Moberly MO British Museum British Museum (Londen),1883 **Exposition Commentary** Apostle Tonya,2025-11-17 Delight with the Eternal Spirit of God in this Exposition Commentary of the First and Second Epistles to the Thessalonians The Exposition Commentary is from the King James Version of the Holy Bible About the Author Apostle Tonya is a woman after God s own Heart She is the leader of Esther Crown Ministries a miracle healing teaching ministry of the Lord Jesus Christ and the host of Holy Podcast with Apostle Tonya Visit Apostle Tonya online at www.apostletonya.org About the Ministry We are a miracle prophetic and teaching ministry of Jesus Christ with a heart to glorify Him in the Earth We are also honored to serve the Blessed Lord Jesus in reaching the lost and relieving the oppressed orphaned children through our Rose of Sharon worldwide campaign In His faithfulness the Father God has called us to this special ministry with His Son our Beloved Lord Jesus **Exploring Thessalonians** George R. Knight,2012 The letters of Paul to the Thessalonian believers not only provide insight into the challenges faced by one of the early Christian churches but also allow a glimpse into the great pastoral heart of the stalwart evangelist Yes he endured beatings stoning and imprisonment on his missionary journeys and even rejoiced that he was found worthy to suffer for his Lord Yet in the midst of his own trials he longed to nurture and encourage those converts who were experiencing persecution as well Intertwined among such familiar themes as the Second Advent the resurrection of believers church discipline and the man of lawlessness Paul s recurring emphasis is how to live while waiting for Jesus to return It may come as a surprise to Christians steeped in a postmodern culture but holiness separation from the ways of the world and commitment to the ways of God and the requisite dependence upon God s power are commanded This user friendly devotional commentary divides the text of these two letters into short passages followed by exegetical explanation and practical application Though these messages were penned nearly 2 000 years ago the apostle s words are just as relevant to Christians now as they were to the fledgling church in the first century Book jacket
