Thieves Of Fire:

Thieves of Fire Jamie Knerr, Jonathan Valania, Elliot Vanskike, 1985 **The Fire Thief Fights Back** Terry Deary, 2009
Deary reinvents the myth of Prometheus the titan who stole fire from the gods and gave it to the human race To escape the gods revenge Prometheus travels through time to a murky metropolis called Eden City and learns what humans have done with his gift of fire *It Takes a Thief to Start a Fire* Rob J. Hayes, 2018-11-12 Following hot on the heels of the events of *It Takes a Thief* To Catch a Sunrise To Start a Fire sees Jacques Revou and Isabel de Rosier adapting to life in Great Turlain while competing against murderous fences shadowy secret police and a group of thieves who can control the very elements We started our lives together with barely a coin to our name We have won fortunes and lost them We have stolen the unstealable survived plots and schemes determined to see us fall and saved a Queen from certain death But sometimes a fresh start is exactly what is needed and here we can have just that Free from devious machinations and troublesome reputations alike Here we can go back to our roots A good thief gets out without being caught A great thief makes it look as though they were never there But we are neither good nor great We are the best Thieves of Fire Denis Donoghue, 1973-01-01
