Thinking Matters: Critical Thinking As Creative Problem Solving Gary R Mar, 2021-08-10 The ancient Roman orator Horace 65 B C 8 B C wrote Control your mind or it will control you In today s society we are faced with more information and more complex information than ever Faced with making decisions we can feel overwhelmed and helpless One way to become less helpless to gain control over our lives is to gain control over our own thinking We can feel helpless when faced with this barrage of information opinions data and conflicting arguments if we lack the skills to quickly grasp and critically evaluate them This book is designed to impart these kinds of skills Any course in a university should do more than teach information in nearly every field facts become obsolete quickly The goals of Thinking Matters are to help you The text is punctuated with exercises or personal experiments to challenge and stimulate your curiosity These exercises may take the form of an inventory to be taken a puzzle to be solved or some thoughts to ponder The first module Thinking Matters Critical Thinking as Creative Problem Solving introduces the student to all the above topics logic probability argument forms and fallacies ethical reasoning algorithms and computational thinking through logic puzzles and games and mathematical magic tricks

Rebecca West's Subversive Use of Hybrid Genres Laura Cowan, 2015-05-21 Bringing new insights from genre theory to bear on the work of the journalist and novelist Rebecca West this study explores how West s use of and combinations of multiple genres often in single works was informed and furthered by her subversive feminist goals Rebecca West s Subversive Use of Hybrid Genres analyzes West s sense of genres as dynamic and strategic processes with transgressive political ends rather than as fixed and reified taxonomies a radical new approach at the time that is now mirrored in much contemporary theory Surveying her oeuvre from this point of view the book goes on to examine systematically West s writing from 1911 1941 including her early journalism and criticism such novels as The Return of the
