decision time and time again you literally can't afford to be wrong. It could cost a client money. It could cost your company that client. It could cost you your job. The good news is you have the key to fix your problems. It's a skill you just need to get better at using it. That's why we wrote *The Critical Thinking Effect* to take you from good to great. It's packed with examples, exercises, and actionable steps to get you thinking clearer today. Here's just a smattering of what you'll find inside: How to ethically brainwash your subordinates; see how a manager employed critical thinking to get his team to do a COMPLETE 180 on a project they SWORE they'd never work on; How to spot lies, sift through deceptions, and have the confidence to know you've made the best decision possible; How to use X-Ray vision on social media and news to tell fact from fiction; Why you shouldn't name your child Wolfgang; the dangers of misinterpreting data too literally; How failure to think critically caused an experienced detective to miss a literal murder and what we need to learn from that real story; The 10 most common cognitive fallacies and traps listed by a Cambridge Ph.D. how many are you committing on a daily basis; How to have better relationships with your loved ones by recognizing their BS and your own; What dueling ice cream shops can teach you about lack of due diligence and much, much more. If you didn't listen to Mozart when you were in diapers, the good news is you've still got a chance to develop critical thinking ability. But if you just can't break through to that next level in life, you won't magically develop the ability to make better decisions. Do you want to stop second-guessing yourself, make better decisions under fire, and be the rockstar of your team? Then supercharge your brain and get to that next level ASAP. *Critical Thinking* David McKay, 2020-11-12. Would You Want To Be A Critical Thinker Who Makes Great Decisions After Evaluating All The Possible Outcomes And Settling On The Most Favorable? If You Would Then Keep On Reading. Our life is a product of the decisions we've made throughout our lives. I know you know that all too well and want to make the right decisions consistently to propel yourself to the level of success that you so much desire, be it in your career, relationships, finances, investing, health, business, and more. As Napoleon Hill aptly put it: You have a brain and mind of your own. Use it and reach your own decisions. He was talking about leveraging the power of critical thinking as opposed to relying on a hunch or your gut. So how exactly do you become a critical thinker? How do you decide which option to opt for among the many others that may be equally attractive? How do you develop and nurture your critical thinking capabilities? How will your life change if you leverage the power of critical thinking in your everyday life? If you have these and other related questions, keep reading. I know it can feel very overwhelming and frustrating when it seems like you are not just getting things right. However, it does not have to be this way. You can actually take steps to develop deeper thinking and greater analytical skills to make decisions most of the time, and this is what this book *Critical Thinking* will teach you. It covers the ins and outs of critical thinking to take you by the hand to move from where you are to where you want to be. Here is a preview of what you will learn: What really is critical thinking? Why following your gut or hunch feels so easy and critical thinking so hard? Why it is important to start thinking critically? How to start making better decisions? The different phases of critical thinking? How to not

only think critically but logically too How you can actually start thinking critically The difference between critical thinkers and those who are not Steps to take to take to develop your critical thinking skills How negative thinking affects how you think and how to silence your inner critic And so much more Indeed you are about to start a journey to personal transformation through learning how to think critically And lucky for you this book takes an easy to follow beginner friendly and nonjudgmental approach to breaking away from your old way of making decisions to using critical thinking to change your life After reading it you can be sure to find eye opening ideas that you can start applying immediately to start seeing results Are you ready Scroll up to the top of this page and click Buy Now With 1 Click or Buy Now to get started
