Thinning the Herd David L. Fraley,2001 By humanity has come face to face with its own mortality The earths environment no longer offers quality of life Then the Visitors came just a few of them Benevolent and caring their behavior and instincts were more like the bear than human yet they possessed powers beyond the comprehension of mankind They came to restore paradise on earth

Thinning the Herd Rob Turnbull,Brad Melichar,Ken Huss,Mark Williams,2014-08-19 Jim s day started off normal After sleeping off the night shift he meandered out to the curb in his bathrobe to get his mail When three blood covered lunatics screech in rage and charge across the street after him he runs for his life Scared sore and confused Jim must learn to adapt to the new reality of a world where the majority of the population has devolved into a primitive state perpetually enraged and focused on stomping the life out of those left unchanged Together with a small group of survivors he must carve a life out of the chaos On the other side of the world the event has created untenable geopolitical rifts with the surviving nations Alliances are abandoned old feuds are acted on and the populations face hunger and hardship The British execute the provisions set forth in a joint operational plan they hoped would never be necessary Ophir Ridge designed to protect America s nuclear assets in the event of a world wide disaster A small military force embarks on a mission to Dayton Ohio where what remains of the United States military tries to maintain a foothold against overwhelming odds Meanwhile the new lawlessness allows human monsters to flourish Fran is a special breed of predator a smart sadistic and practiced serial killer now free to indulge his urges and inflict misery on those whose survived the initial wave of death He recruits others to his cause to create an empire comprised of the subservient the weak and the unfortunate As these forces collide who will emerge the victor Will the world recover or will humanity fade from existence

Thinning the Herd P C Rodriguez,Bruce W Durbin,2020-05-26 In 2020 a pandemic hit an unprepared world resulting in the infection of millions and the deaths in the 100 thousands In the United States there was often misinformation and misguidance with numerous elected officials changing their directives as well as profiting from the coronavirus COVID 19 This first book outlines the underlying political environment which not only allowed the pandemic to spread but also trampled on the rights and freedoms of United States citizens The entire country was shut down citing concern for the virus but at the same time there was a great deal of hypocrisy while over 30 million citizens became unemployed with little hope of finding employment The slow response to COVID 19 also saw a larger percentage of deaths among elderly citizens and African Americans This first book details available information and is presented to prompt the reader to decide whether they re being served by the government or the virus is serving to thin out the herd
