Third and Oak--the Pool Hall Marsha Norman,1985 *Third and Oak* Marsha Norman,2006 *Understanding Marsha Norman* Lisa Tyler,2019-09-13 Best known for her Pulitzer Prize winning play night Mother and her acclaimed adaptations of *The Secret Garden* and *The Color Purple* for musical theater Marsha Norman has produced an impressive oeuvre that includes not only works for the stage but also a novel and several television screenplays The first book on the Louisville born writer in twenty years *Understanding Marsha Norman* introduces readers to her life and work while making a persuasive case for her preeminence among America s leading dramatic artists Following a biographical introduction the book examines such early plays as *Getting Out Third and Oak* and *Circus Valentine* which according to the playwright herself taught her the skills she needed to write her more successful works most notably the much lauded two character drama night Mother which centers around an apparently rational young woman s choice to commit suicide Subsequent chapters examine Norman s underrated novel *The Fortune Teller* and three mid career plays that rewrite the traditions of the Western the biblical story of Sarah and Abraham and the legend of Daniel Boone Her more recent plays including *Trudy Blue 140* and *Last Dance* acknowledge the limitations of romantic relationships while her forays into musical theater and television including scripts for such programs as *Law and Order Criminal Intent* and the Peabody winning HBO series *In Treatment* signal a dramatist who is ever willing to take risks and venture into new genres At her best when writing about interesting and troubled women and their relationships with each other Norman has received much less critical attention than male contemporaries such as Sam Shepard and David Mamet This engaging and edifying book helps rectify that disparity **The Methuen Drama Guide to Contemporary American Playwrights** Christopher Innes,Peter Paul Schnierer,Martin Middeke,Matthew C. Roudané,2013-12-19 This is an authoritative single volume guide to the work of twenty five American playwrights from the 1960s to the present written by a team of twenty five eminent scholars from the USA Canada Britain Germany and Ireland It is the perfect companion for students of American literature and drama **Marsha Norman** Linda Ginter-Brown,2014-04-08 This collection of ten original and one reprinted essays provides an in depth examination of one of America s foremost contemporary playwrights Established critics as well as younger scholars examine well known works such as *Getting Out* night Mother *The Laundromat* and the adaptation of *The Secret Garden* Lesser known plays such as *The Holdup Sarah and Abraham Traveler in the Dark* and *Loving Daniel Boone* are also discussed This casebook includes an interview with Norman commenting on her work and her place in American theater as well as a review of night Mother by drama critic Robert Brustein The essays analyze Norman s works in comparison to the works of other playwrights and examine the mother daughter relationships of the characters as well as Norman s sense of a woman s place within a patriarchal culture *The Great American Playwrights on the Screen* Jerry Roberts,2003-05 The profound expansion of television into American homes in the 1950s brought a flood of adapted plays to the small screen and resulted in the rebirth

of the careers of many significant playwrights *The Great American Playwrights on the Screen* provides fans with a video and DVD guide to the adapted works of the playwrights and shows which versions are available for home viewing and in what media VHS and DVD It resurrects the memory of television productions of plays at a critical time when many of them including Emmy winners and nominees are deteriorating in vaults BOOK JACKET Collected Plays Marsha Norman,1998
