Thirsting Land

Arthur Sullivan

Thirsting Land:

The Thirsty Land Eve Pownall, 1968 Discusses Australia's century old need and quest for water which resulted in the mammoth Snowy Mountains Scheme to harness previously wasted water and power **Obiter; Wayside Verses: Being Meditations of a Country Clergyman; Chiefly Sacred** Richard Knott BOLTON, 1873 [A Thirsty Land](#) Seamus McGraw, 2020-08-11 A Thirsty Land chronicles Texans epic struggles over water from San Antonio's mission era acequias to today's debates in the face of climate change and population growth with an eye toward innovative technologies and strategies for increasing the supply [Transactions of the Essex Archaeological Society](#) Essex Archaeological Society, 1900 *Analytical-Literal Translation of the Old Testament (Septuagint) - Volume Four - The Prophetic Books* Gary F. Zeolla, 2014-10-23 The Analytical Literal Translation of Bible ALT is translated by Gary F. Zeolla. The ALT is contained in seven volumes. They are Volume I The Torah Genesis to Deuteronomy Volume II The Historical Books Joshua to Esther Volume III The Poetic Books Job to Song of Solomon Volume IV The Prophetic Books Isaiah to Malachi Volume V The Apocryphal Deuterocanonical Books Volume VI The New Testament Volume VII The Apostolic Fathers. The purpose of the ALT is to provide a translation of all of these books that will enable the English reader to come as close to the Greek texts as possible without having to be proficient in Greek. And the name of the ALT reflects this purpose. Literal refers to the fact that the ALT is a word for word translation. All words in the original text are translated, nothing is omitted. The original grammar of the text is retained as much as possible. Any words added for clarity are bracketed so nothing is added without it being indicated as such. Analytical refers to the detailed analysis done on the grammar of the text. The grammar is then translated in a way which brings out nuances of the original text that are often missed in traditional translations. In addition, analytical refers to the aids that are included within the text which enable the reader to analyze and understand the text. Such information is bracketed. It includes the following: 1. Alternative translations for words and phrases 2. Possible figurative meanings or paraphrases of words and phrases 3. Modern day equivalents for measurement and monetary units and time designations 4. Explanatory notes 5. Cross references. Translation refers to the conversion of the original Greek text into English. Modern day English is used and despite its literalness, the ALT is a relatively easy to read and understand. Versions Notes: The version of the ALT OT published in 2023 is a corrected text, not a full new edition. Only minor corrections have been made, plus the cover and appendixes have been updated. The Regular paperback and hardback versions of the ALT OT are printed on 8 1/2 x 11 pages in double columns using Times New Roman 10 point font. But a Personal Size Version is also available. It is printed on 6 x 9 pages in single columns using the same font size. Many requested this smaller page size, so I am making it available. However, due to the smaller page size, the number of pages and thus the cost of the book is greater.
