Thirteenth Bullet:

The Thirteenth Bullet Cotton Smith,2006 Ralph Compton Thirteen Bullets Sean Danker,Ralph Compton,2022-05-24 In this raucous new book in Ralph Compton's Gunfighter series the only thing Dan Karr can't shoot down is his suspicion about the man who's paying him George Kingsley has more money than sense and when he's in trouble he turns to the infamous gunslinger Dan Karr for protection Dan reluctantly accepts and he kills every would-be assassin without hesitation or remorse He's superstitious not sentimental but Kingsley has kids and Dan doesn't want to see any child grow up without a father As the killers keep coming and the bodies stack up it becomes clear that something is very wrong Luck favors the prepared and Dan starts to realize just how little he knows about the family he's risking his neck for He's always been good at dodging black cats and broken mirrors but he's spent enough time around gamblers to know that a hot streak can't last forever Sooner or later every man's luck runs out "Thirteen Bullets" Roberta Harvey,2005 **The Thirteenth Bullet** Marcel Lanteaume,2020-10-05 The man in the grey overcoat is murdering single men across France The killings appear random and yet he shakes hands with each victim before putting a bullet through his heart The only witness is placed for his own safety inside the ultimate locked room a concrete windowless bunker with walls one metre thick and covered by two metres of earth with interior bolts and sentries on guard outside The next morning stupefied witnesses melt down the steel doors and bolts to find him dead One of the wildest and most imaginative serial killer impossible stories ever written Locked Room International translates and publishes the works of international impossible crime authors past and present For information about signed and lettered editions of all living authors please contact pugmire1 yahoo com or go to www mylri com The History of the Thirteenth Battalion, A.I.F.
